

19. NEXT PLANE TO MOSCOW (Monkees; Kidd/Leydorf)

Take the next plane to Moscow—you have sold out our great nation. You can cry to daddy Vladdy, we have made your reservation, don't be slow. Oh, no, no, no! Oh, no, no, no!

You could travel with Melania, but she prob'ly wants divorce. Stuff pirozhkis in your pie hole, trade your burgers for some borscht, you gotta go. Go, go, go, go! You Russian ho!
And believe us you are never coming home!

Take the next plane to Moscow, where you'll never build your tower, We have scrutinized your Putin ties and...he don't need you...out of power. No! Oh, no, no, no! Oh, no, no, no!

Do-do-do-do-do-do-do-do-do. Do-do-do-do-do-do-do-do-do

Do-do-do-do-do-do-do-do-do! **REPEAT**

Take the next plane to Moscow for a permanent vacation
You can pack your wig and bronzer, we'll begin the fumigation, gotta go.
Go, go, go, go! You Russian ho!

And believe us you are never coming home!

Take the next plane to Moscow (Goooooo!) X

20. PUPPET KING ('Dancing Queen'; Leydorf/Stein)

You can dance, you can ji-ive, tweeting out lie after lie...

Oo-oo-oo, see that fool, so obscene. Poor little puppet king

You keep sayin' you are so tough... Fightin' words all the fascists...love. Tariffs where there were treaties, stirrin' up the hate, will never make us great.

Anybody can see the truth... You're a traitor, we got the...proof
Went to hell in Helsinki—such a sorry show.

You made it really clear... You obey Vladimir...

CHORUS **You are the puppet king: Dan-gle-ing from your Russian strings!**

Puppet king: The KGB owns the GOP! Oh, yeah!

You can dance, you can ji-ive, tweeting out lie after lie...

Oo-oo-oo, see that fool, so obscene. Poor little puppet king!

Was it blackmail or bribery? Dirty money or maybe...pee?

Long as you go to prison—we don't really care.

Justice is getting near... Go cry to Vladimir... **CHORUS**

21. WE WILL STOP YOU (Queen; Leydorf/Stein)

Donny, you're an ass—makin' big noise,
tweetin' in the night, doin' nothin' but golf all day!

You got mud on your face, you big disgrace.

Spreadin' your lies all over the place! (Sing it!)

We will, we will stop you! X

Donny you're a lyin' traitor, suckin' up to Russia, the Kochs & the NRA.

You got blood on your face, you big disgrace,
spreading your hate all over the place. (Sing it!)

We will, we will stop you! X

Donny, you're a sick man, lost man—Time is runnin' out,
gonna send you to jail one day.

Just a dud and disgrace, a big nut case:

Resisters gonna put you back into your place. (Sing it!)

We will, we will stop you! X

22. WE WILL SURVIVE (Gloria Gaynor; Leydorf)

At first we were afraid, we were petrified,
by the sight of all those nasty Nazis by your side.

And we spent so many nights assuming you were such a clown,
that you'd go down—but then the Kremlin came to town!

And you came back with Kislyak. Today you're busy blowing Vladimir to
thank him for the hack.

We should have changed the stupid vote & counted democratically.
Should have known that fools and traitors run the goddamn GOP!

CHORUS **Go on now, go, you Russian whore!**

Just turn around now, cuz you're not welcome anymore.

Aren't you the fool who tried to break the FBI?

Did you think we'd crumble? Did you think we'd lay down and die?

**Oh no, gurl, bye! We will survive—Oh, as long as we are stuck with
you, the fight will stay alive.**

**And thru every turn and twist, we'll have the courage to resist—
We'll survive! We will survive! Hey, hey! DANCE**

You got all the cash you need from the NRA
and billionaires who paid to make their taxes go away.

But character is destiny and you're a psychopathic ape:

You can't escape—it's coming soon, the pee-pee tape!

With every week...you spring a leak—

Your cagey AG, Billy Barr, thinks you're the Czar, the fucking freak....

Well if Mueller couldn't do it, Adam Schiff will seal your fate:

You're gonna wish your name was Nixon, you will pray for Watergate!

CHORUS

23. LOVE WILL KEEP US (Capt. & Tenille; Leydorf/Stein)

Love—Love will keep us together. Fight for our side, whoever

Kirsten, Kamalah, Klobuchar, Warren's a star—

I would take Tulsi, she's better by far,

Just stop—you know who we're fighting. Stop—we are all uniting:

Love will trump hate if we just keep it together. Whoever!

You—You can have your fav'rite. Your boy or bust? Well, save it.

Biden, Booker, Bernie, or Pete. Beto is neat.

We band together, and we can't be beat,

Just stop (stop)—the hatred and lying.

Stop (stop)—planet earth is dying!

Love will trump hate if we just keep it together: Whoever!

John, John, Julián. Some folks are jonesing for Jay.

When the contest's done and gone, who'll be ready to play?

We will! We will! We will! We-e will be right beside whoever,

Love will keep us together

We've done it before, we can do it again:

Evil can't win: History needs us to fight till the end—

To stop (stop)—injustice and stealing.

Stop (stop)—all the double-dealing

Love will trump hate if we just keep it together: Whoever!

Ba-ba-ba-ba-ba We will, We will, We will, We-e will

2020... Year of plenty.... 2020... Year of plenty....

wear orange and sing

1. AMERICA THE PITIFUL (Leydorf)

So pitiful, the NRA: A cult of guns and greed.

And Congress only blocks the way & watches while we bleed.

America! America! One hundred die each day

In suicide and homicide, and all we do is pray.

So pitiful, the KKK: Still marching in their sheets!

While Michael Brown & Freddie Gray get murdered in the streets!

America! America! You just can't get it right—

Why can't we see equality for black & brown & white?

So pitiful, the toxic Trump: You lie with every word.

You Russian whore, you stupid chump. Your cabinet is absurd!

America! America! It's just a TV show—

It's comedy and tragedy. How could we stoop so low?

2. BLOODY VALENTINE (Leydorf)

My bloody valentine—sick, twisted valentine,

thousands will die, you don't care.

You are deplorable; hateful and horrible,

spreading the slaughter everywhere.

Get a gun in every hand...in this big and bloody land...

When the victims make a stand... Offer pra-ayer...!

They'll sign any bill for you— Congress will kill for you—

Pay bloody valentine, pay! Love me the NRA way...

VOTE RESIST SING

3. TAKE ME OUT AT THE BALL GAME (Leydorf)

Take me out at the ball game. Shoot me down at the bar.

Come to the movies & watch us fall.

Come to church, come to school, kill us all!

Go on—block! block! block! any gun laws,

sell your soul—have no shame!

Yes it's one, two, three strikes, we lose at the old gun game!

4. WE WANNA TAKE YOUR GUN (Beatles; Miller)

Oh yeah, we'll tell you somethin'. We got you on the run.

If you are an abuser, we wanna take your gun!

We wanna take your gu-u-u-u-u, we wanna take your gun!

Oh please, say to me, you had your background check.

Cause when you fail your test—well, what do you expect?

We wanna take your gu-u-u-u-u, we wanna take your gun!

And when you go off we feel sickened inside.

You can't keep shooting random folks

While they hide— While they hide—While they hiiiiiiiiide!

Oh yeah, we'll tell you somethin'. We got you on the run.

If you are a felon, we wanna take your gun!

We wanna take your gu-u-u-u-u, we wanna take your gun!

When we disarm you, we feel happy inside.

If we prevent just one mass shooting

No one dies— No one dies— No one diiiiiiiiiies!

Oh yeah, we'll tell you somethin'. We got you on the run.

If you are prone to violence, we wanna take your guuuuuun!

We wanna take your gu-u-u-u-u, We wanna take your gun!

We wanna take your guh-uh-uh-uh-uh-u.

5. FAITH (George Michael; Tjhung/Leydorf)

Well I think it would be nice, if we could break your lobby,

Cuz no, not every lobby knows how to lobby like you-u-u

No! And you never think twice, before you take our dreams away.

Well, we say FUCK the N.R.A. & all the cash you blew!

Oh yeah, you bought up Congress for 20 million,

and then the White House—30 million more!

Well you can spend your heart out—a billion zillion!

You can eat your Russian money, we are showing you the door!

CHORUS **Cuz we gotta have faith. We gotta have fai-aiith.**

Oh yeah—we gotta have faith-a faith-a faith.

We gotta have faith-a faith-a faith-ahhh!

Baby! We won't go back to yesterday, so please, please, please

Sashay away—You are giving us the blue-ue-ues.

Maybe—we're gonna break the money chain,

Then we won't have to feel the pain of another day

loaded down with a lotta bad news.

Just watch this river become an ocean. Listen, do you hear

that mighty roar?

Yeah baby, We'll keep resisting your evil notions— We have had it up

to here, & we are saying not one more! **CHORUS**

6. FAVORITE THINGS ('Sound of Music'; Miller/Tjhung/Leydorf)

Building a wall between churches and congress
Making a choice between rightness and wrongness
Taking down tyrants who act like they're kings:

These are a few of our favorite things
The right to gather and the 1st Amendment,
Choices I'd rather and thoughts independent,
Getting a lawyer when I'm in a fight: These are a few of my favorite rights.
When the laws bend, when the feds cheat & I'm feeling mad,
I simply remember the Constitution & then I don't feel so bad.

Marching around when I'm angry with Congress,
Shouting them down to make them keep their promise,
Going to school, feeling safe day & night:
These are a few of my favorite rights.

When the news sucks, when the jerks win & I'm feeling mad,
I simply remember the Constitution & then I don't feel so bad.

7. MAR-A-LAGO! ('Oklahoma!'; Leydorf)

Mar—a-Lago! Where the lies are thicker than the steak!
And the weekend set will not say nyet, if there's any law you want to
break!

Mar—a-Lago! It's the wet dream of the GOP:
All the racist rats and kleptocrats dip a toe into the rising sea!
But Putin is no nouveau riche, & he's got dopey Don on a leash!
So when we say: WHOA! What did he do today? NO!
We're only sayin' stay there for good: Mar-a-Lago! Mar-a-Lago! Oy vey!
Mar—a-Lago! It's a temple to vulgarity:
Where the crooked class, can raise a glass to expanding inequality!
Mar—a-Lago! Where the mobsters pay each other off!
And they pass a stash of dirty cash, while they play another round of golf!
We know he belongs to old Vlad, cuz the cad is a tad like his dad!
So when we say: WHOA! What did he do today? NO!

We're only sayin' stay there for good:

Mar-a-Lago! Mar-a-Lago! Yikes! Oy vey!
Mara-Lago! Mara-Lago! Marla Maples! Maria Maples!
Stormy Daniels! Omarosa!
We know that you signed an NDA, but we want you to talk anyway!
So when we say: WHOA! What did he do today? NO!
We're only sayin' stay there for good: Mar-a-Lago! Mar-a-Lago!
M.A.R.A.L.A.G.O. Marala—GO!

8. OVER THE RAINBOW (Judy; Leydorf)

Somewhere over the rainbow, love trumps hate.
Black lives matter to all, and Muslims can immigrate.
Somewhere over the rainbow, we rejoice—
Women get equal pay and make their own goddamn choice!
Somewhere there is no Cheeto Czar
and all the fascist fucks are far behind me!
There's health care when you have an ache,
and Christians have to bake gay cake with Hot! Pink! Icing!
Oh, somewhere over the rainbow, kids run free—
They're not locked up in prison, ripped from their families...
But facts are not alternative: Let's bring the rainbow here and fight to live

9. BATTLE HIM (Leydorf)

Mine eyes have seen the story of the coming of the Trump.
With a slew of lies he mobilized the moron and the chump.
The country drank the Kool-aid down and landed on its rump,
But we are marching on. **Glory, glory hallelujah...**
He's the cherry on the sundae of the racist and the rich,
So afraid to pay their taxes, they will scratch a fascist itch.
They believe he's Mussolini, but he's only Putin's bitch!
Now we are marching on. **Glory, glory...**

We will someday learn the lesson
this catastrophe can teach
We will say goodbye to liars and the hatred that they preach.
Yeah we'll dance from coast to coast
the day the Cheeto is impeached!
Till then, we're marching on! **Glory, glory...**

10. GOD, HELP AMERICA (Leydorf)

God, help America—what have you done?
Stand beside us & guide us
thru the mess & distress you've begun.
With your bigots and your gun nuts, every greedy billionaire!
God, help America through this nightmare.
Come on, America, stand up to hate—
Don't divide us, unite us:
You can't break us to make us more great
Tell the bigots and the gun nuts, every greedy billionaire!
Let's make America more free & fair!
God, help America thru this nightmare.

11. SILLY, SILLY BILLY BARR (Twinkle, Twinkle; Leydorf)

Silly, silly Billy Barr, did your best, but no cigar!
This is not a monarchy—we prefer democracy.
Silly, silly Billy Barr—Donny Trump is not a Czar.
Gordon Liddy, Ollie North—Fascists always sally forth.
Funny place to make your stand—in the pits with Putin's man.
Silly, silly Billy Barr, Donny Trump is not a Czar.
You're so sure we can't impeach if the truth is out of reach—
Justice marches on, you fool. Some day, kids will learn in school:
Donny Trump was not a Czar, silly, silly Billy Barr.

12. NO WALL CHANT (Pink Floyd; Leydorf)

We don't need no racist nation. We don't need no ICE patrols.
You're the only infestation. Trumpie! leave them kids alone!
Hey, Trumpie! leave them kids alone!
All in all, you're just a...nother prick with no wall.

13. COAL'S OVER... (Miller/Leydorf)

Coal's over, go solar...Coal's over go solar...
Coal's over, go solar— Yes, we can stop climate change!

14. WE ARE FAMILY (Sisters Sledge; Leydorf)

CHORUS **We are family: I got all my sisters with me.**
We are family: Get up everybody and sing!
We are family: Men and women, LGBT.
We are family: Everybody does their own thing!
Everyone...controls... her o-own body...gets to live her li-i-life...
HEY! And we don't...care if you...think we're naughty... I won't tell no lie
ALL! All of the people...you must separate: That old church and state?
You better re-read your Bible:
We're giving love while you're preaching ha-a-a-ate! **CHORUS**
We are family! (Clap-clap) We are family! (Clap-clap) We are family!

15. YOU DON'T OWN ME (Leslie Gore; Leydorf/Stein)

You don't own me: I hope you're ready to... hear my voice:
You don't own me: When it's my body it... is my choice... (1-2-3-4)
So don't...tell me what to do! Don't...tell me what to say!
And when I come to work with you, I... better get equal pay, cuz...

You don't own me. Your bible's not for me...to obey.
You don't own me. Don't tell me what it means...to be gay. (1-2-3-4)
I don't...tell you what to do! I don't...tell you how to pray!
I'll be me, and you be you—now, get the hell out of my way!
If you...think abortion is wrong, then don't get one—this is my song!
So Mister Man, I've got some news, I'll say & do whatever I choose!
(1-2-3-4) You don't own me! You don't own me! You. Don't. Own. Me!

16. A.O.C. (Jackson Five; Leydorf)

You came down to DC, girl, but we know you gonna keep it real.
You're talkin' tax policy and make college free—
and why we need a green new deal.
How how how how can we help you? [Help you! Help you!]
Build a new world, girl? [Build a new world!]
You take the Hill—we'll take the street! All we gotta do is get on our feet:
CHORUS **AOC—takin' down DJT. Stand up to the GOP!**
AOC—dancin' free, baby, you and me, girl!
Don't you know we love you just a little bit?
Cause you're showin' more than just a little grit!
And you're gonna teach 'em how to shake it out—
Come on, come on, come on, gotta show 'em what it's all about!
Single-payer & gun control & employment with a guarantee.
We'll abolish ICE & dirty coal & fight for full equality-ty-ty-ty!
And we're goin' dancin'! [Dancin'! Dancin'!]
Gonna boogie down [Gonna boogie down!]
Take me, you, add the two: Listen to me baby,
there's nothin' we can't do now! **CHORUS x2**

**SONGS
IN THE KEY OF
F*YOU**

17. END OF THE WORLD (Carpenters; Leydorf)

We're not sweating this catastrophe—
What's the difference, it's just two or three degrees?
Nothing flies in the sky, as the birds and bees all die—
We are sleeping as we slip beneath the seas.
Anything you want comes to your door.
You can fly around the world unless you're poor.
There's a sweet SUV for your growing family—
And the nightly news that you can all ignore.
**We're at the end of the world, cooking all of creation—
There's a mass extermination? We don't mind!
It's so stupid and cruel, but we love that fossil fuel—
Just keep dancing, it's the end of the world!**

Somethin' in the breeze carries disease;
Down in Borneo they're burning all the trees;
And the fish are all sick, cuz the plastic's so thick;
You remember how the North Pole used to freeze?

So we shop ourselves into a hell
Throw our children's future in the fire sale.
It's a sick fantasy, but it beats reality—
just keep dancing, it's the end of the world.
**We're at the end of the world, cooking all of creation—
There's a mass extermination? We don't mind!
It's so stupid and cruel, but we love that fossil fuel—
Just keep dancing, it's the end of the world!**

**We're at the end of the world, burning down all creation—
And the only explanation I can find,
We'll keep feeding our greed, while we watch the planet bleed—
Just keep dancing, it's the end of the world!**

18. IMPEACH THE ... NOW ('Say a Little Prayer'; Tjhung)

America, wake up, don't let the whole country break up—
Impeach the motherfucker now
Attacks on the queer folk? Take women back fifty years? Nope.
Impeach the motherfucker now

CHORUS **Not ever, no never, we never will stop—
you know we'll fight you.**

**Forever and ever, until you depart—we're so done with you.
Together, together—that's how we will build a world without you
We'll keep on resisting, you'll see...**

Each day is more awful—each action he takes unlawful...
Impeach the motherfucker now
Obstruction of justice is reason enough, yeah trust us:
Impeach the motherfucker now. **CHORUS**

Oh, Nancy believe me... (Believe me!)
Right now there is no o-one but you—you know it's true.
You know what to do (Answer my prayer)
Answer our prayers now, Nancy (Answer my prayer)
Impeach the fucker now (Answer my prayer)
Impeach the man right now Nancy! Oh-oh-oh-oh-oh **CHORUS**
