

18. HEY SARAH, SARAH (Doris Day; Leydorf)

When you were just a little girl, you asked your Daddy,
What will I do? Will I be famous? Will I be rich?
Here's what he said to you: Hey Sarah, Sarah,
You're meaner than mean can be—a mean mediocrity,
Poor Sarah, Sarah—you should try D.C.
When Spicey quit and you signed up, you asked the Donald,
What lies ahead? Should I shit rainbows day after day?
Here's what the Donald said: Hey Sarah, Sarah,
Be vicious, my Huckabee! Commit any felony.
Hey Sarah, Sarah—fuckery will be.
Once you've resigned (you all resign!) Go ask a lawyer,
What should you do? Should you plea bargain or take the fifth?
Poor little Huckaboo... Hey Sarah, Sarah,
From this day on 'Huckabee' will mean insincerity,
Poor Sarah, Sarah. A vulgarity for duplicity. Also perjury.
And mendacity, and temerity, foolish fakery, boorish bigotry,
ugly thuggery. Hey Sarah, Sarah—fuckery will be!

19. SILLY, SILLY BILLY BARR (Twinkle, Twinkle; Leydorf)

Silly, silly Billy Barr, did your best, but no cigar!
This is not a monarchy—we prefer democracy.
Silly, silly Billy Barr—Donny Trump is not a Czar.
Gordon Liddy, Ollie North—Fascists always sally forth.
Funny place to make your stand—in the pits with Putin's man.
Silly, silly Billy Barr, Donny Trump is not a Czar.
You're so sure we can't impeach if the truth is out of reach—
Justice marches on, you fool. Some day, kids will learn in school:
Donny Trump was not a Czar, silly, silly Billy Barr.

20. NO WALL CHANT (Pink Floyd; Leydorf)

We don't need no racist nation. We don't need no ICE patrols.
You're the only infestation. Trumpie! leave them kids alone!
Hey, Trumpie! leave them kids alone!
All in all, you're just a...nother prick with no wall.

21. A.O.C. ('A.B.C.'; Leydorf)

You came down to DC, girl, but we know you
gonna keep it real.
You're talkin' tax policy and make college free,
and why we need a green new deal.
How how how how can we help you? [Help you!
Help you!]
Build a new world, girl? [Build a new world!]
You take the Hill—we'll take the street! All we
gotta do is get on our feet:
AOC—takin' down DJT. Stand up to the GOP!
AOC—dancin' free, baby, you and me, girl!
Don't you know we love you just a little bit?
Cause you're showin' more than just a little grit!
And you're gonna teach 'em how to shake it out—
Come on, come on, come on,
gotta show 'em what it's all about!

Single-payer & gun control & employment with a guarantee.
We'll abolish ICE & dirty coal & fight for full equality-ty-ty-ty!
And we're goin' dancin'! [Dancin'! Dancin'!]
Gonna boogie down [Gonna boogie down!]
Take me, you, add the two: Listen to me baby,
there's nothin' we can't do now!
A.O.C.—takin' down D.J.T. Stand up to the G.O.P.!
A.O.C.—dancin' free, baby, you and me, girl! X2

22. SHUTDOWN ('Downtown'; Leydorf)

When you're a louse in your lonely White House,
you can always try a *shutdown!*
When you've got worries, Democrats in a hurry,
to expose the lie... *Shutdown!*
Just rant about the border and invent a phony crisis!
Say that scary Mexicans are selling drugs for ISIS—How can you lose?
Your base is too dumb to care;
they will forget about Putin, the pee-pee affair,
In your shutdown! Things will be great in your Shutdown!
Stir up more hate, for sure, Shutdown! Murica's waiting for you!

Shutdown! Shutdown! Shutdown! Shutdown!
Don't give a thought to food that cannot be bought
and rent that can't be paid. *Shutdown!*
Screw the whole country, we'll be glad to go hungry!
We have all been played. *Shutdown!*
Just listen to the rhythm of your tiny tapping fingers—
Blame it all on Nancy while the government malingers. Happy again...
That's how you stay in the clear,
you can forget about Mueller, forget Vladimir,
In your shutdown! Kill the economy: Shutdown!
Misery sea to sea: Shutdown! You're gonna be home free now!
Shutdown! Shutdown! Shutdown! Shutdown!
Public approval's running high for removal, guess it didn't work... *Shutdown!*
Plenty of reasons, like incompetence, treason,
plus you're such a jerk... *Shutdown!*
The country's broke, cause you're a joke, a nazi narcissistic.
Shit is deep, you psycho creep, but we are optimistic— It won't be long...
It may be the brink of doom, but Donny,
justice is coming and you'll be gone soon,
We will shut down! All of the haters!
We'll shut down! Lock up the traitors! We'll shut down!
Half-wit dictator you're through!

23. GOODBYE, DONNY ('Hello Dolly'; Leydorf)

Well, goodbye, Donny. No more lies, Donny.
We can't wait to send you back where you belong!
You're counterfeit, Donny. Full of shit, Donny.
Need more curses for these verses—
you are worse than wrong.
And as for you, Congress. Too-da-loo, Congress.
You've been shifty and so grifty all this time.
You're out of work, Congress.
Every last bought-off jerk, Congress.
Slither away into your sleazy slime.
Well so long, Donny. You were wrong, Donny.
We were great before your hatred came to town.
And Cheerio, Putin, time to go, Putin—
Though your kompromot was on the spot—
he's going down.
Yes, go to hell, Donny. Rot in jail, Donny.
For your treason or your sleazin'—take your pick!
You're such a schmuck, Donny.
Your ass is outta luck, Donny.
Donny the Con, you're worse than Tricky Dick.

BIG FINISH Golly gee, Donny! This is democracy, Donny!
Donny we'll never go away! Promise you Don, we're here to stay!
Donny the Con, You're gonna pay, you prick.

24. REBEL REBEL

Rebel Rebel, you scream and shout!
Rebel Rebel, you marchin' about!
Rebel Rebel—yeah we all know! Fuck Trump, he's got to go!

1. TOO DARN HOT

It's too darn hot. Too darn hot. The lion's lair—is deserted tonight.
Poor polar bear—not an iceberg in sight.
Not anywhere for a bird to alight! The coral's bare,
yeah we turned it all white.
We had a prayer, but we weren't very bright! Now it's too darn hot.

Too darn hot. It's too darn hot. The Celsius...climbin' higher tonight.
And NASA says: Things are dire, all right.
Los Angeles is on fire tonight! Miami is sinking right out of sight!
It's such a mess—Join our choir and fight! Cause it's too darn hot!

The Cheeto says it's only a hoax—but the seas are risin' high.
He's diggin' coal, it's such a bad joke—guess the end of times is nigh.
But we keep burnin' that fossil fuel, 'cause the profits are just too steep.
We can't quit—though the shit—is deep.
Yes it's too darn hot! Too darn hot! It's tooo daaarn hot! [x2]

2. COAL'S OVER... (Miller/Leydorf)

Coal's over, go solar...Coal's over go solar... Coal's over, go solar—
Yes, we can stop climate change!

3. DON'T KNOW MUCH ABOUT ... (Vitzthum/Leydorf)

He don't know much about history, they don't show it on Fox TV.
Says there's no such thing as climate change. Don't even understand
the stock exchange—
The wanker only ever got his shot thanks to Putin and his Russian bots.
What a moron we got in D.C.
He don't know much about the government, only sucks up to the 1 percent.
Don't know economics, not at all. Mumbles on about a pointless wall.
But the country isn't half so dim and they're quickly catchin' on to him:
What old moron we got in D.C.

He loves to brag that he's an A student...and a brilliant boss.
But what kind of fool hires Perry or Pruitt, a fink like Zinke, or Betsy DeVos?

We don't know much about psychology, or narcissistic pathology.
We don't know much about the bigot's brain,
or why they'd vote for someone so insane.
We do know ethics, and we do know law.
We know that treason is the final straw.
Yeah, the moron ain't long in D.C. What a wonderful day that will be.

4. FAVORITE THINGS ('Sound of Music'; Miller/Tjhung/Leydorf)

Proving your point in a way scientific.
Peer-reviewed evidence, facts, and statistics.
Good education and all that it brings: These are a few of my favorite things!
Fighting extinction of pandas and bison.
Welfare and health care and Neil Degrasse Tyson.
Like-minded lefties who get out & sing: These are a few of my favorite things!
Greta Thunberg, the Rebellion, Science Guy Bill Nye,
My favorite people are fierce and they're fun: We won't let the planet die! >>>

>>> Fragrant green meadows all blooming with clover
Keeping the planet from boiling right over
Treaties from Paris, Kyoto, Beijing: These are a few of my favorite things
Greta Thunberg, the Rebellion, Science Guy Bill Nye,
My favorite people are fierce and they're fun—we won't let the planet die!

Building a wall between churches and congress
Making a choice between rightness and wrongness
Taking down tyrants who act like they're kings:

These are a few of our favorite things
The right to gather and the 1st Amendment,
Choices I'd rather and thoughts independent,
Getting a lawyer when I'm in a fight: These are a few of my favorite rights.
When the laws bend, when the feds cheat & I'm feeling mad,
I simply remember the Constitution & then I don't feel so bad.

Marching around when I'm angry with Congress,
Shouting them down to make them keep their promise,
Going to school, feeling safe day & night:
These are a few of my favorite rights.

When the news sucks, when the jerks win & I'm feeling mad,
I simply remember the Constitution & then I don't feel so bad.

Flynn and McFarland and Corsi and Cohen.
Manafort, Gates—and we're just getting goin'!
Pappawhatever & Sater & Stone: Jared & Junior weren't acting alone!
Egorov, Kislyak, and Miss Butina.
Somebody Dutch I think came in betweena—
Julian sending out key Wikileaks! Devin and dozens of GOP freaks!
Is your tongue tied? Does your head spin? Are you feeling mad?
Don't have to remember quite all of their names
in Donny's big deal for Vlad!

5. MAR-A-LAGO! ('Oklahoma!'; Leydorf)

Mar—a-Lago! Where the lies are thicker than the steak!
And the weekend set will not say nyet, if there's any law you want to break!
Mar—a-Lago! It's the wet dream of the GOP:
All the racist rats and kleptocrats dip a toe into the rising sea!
But Putin is no nouveau riche, & he's got dopey Don on a leash!
So when we say: WHOA! What did he do today? NO!
We're only sayin' stay there for good: Mar-a-Lago! Mar-a-Lago! Oy vey!

Mar—a-Lago! It's a temple to vulgarity:
Where the crooked class, can raise a glass to expanding inequality!
Mar—a-Lago! Where the mobsters pay each other off!
And they pass a stash of dirty cash, while they play another round of golf!
We know he belongs to old Vlad, cuz the cad is a tad like his dad!
So when we say: WHOA! What did he do today? NO!
We're only sayin' stay there for good: Mar-a-Lago! Mar-a-Lago! Yikes! Oy vey!

Mara-Lago! Mara-Lago! Marla Maples! Marla Maples!
Stormy Daniels! Omarosa!

We know that you signed an NDA, but we want you to talk anyway!
So when we say: WHOA! What did he do today? NO!
We're only sayin' stay there for good: Mar-a-Lago! Mar-a-Lago!

7. PUPPET KING ("Dancing Queen"; Leydorf/Stein)

You can dance, you can ji-ive, tweeting out lie after lie...

Oo-oo-oo, see that fool, so obscene. Poor little puppet king

You keep sayin' you are so tough... Fightin' words all the fascists...love.

Tariffs where there were treaties, stirrin' up the hate, will never make us great.

Anybody can see the truth... You're a traitor, we got the...proof

Went to hell in Helsinki—such a sorry show.

You made it really clear... You obey Vladimir...

CHORUS You are the puppet king: Dan-gle-ing from your Russian strings!

Puppet king: The KGB owns the GOP! Oh, yeah!

You can dance, you can ji-ive, tweeting out lie after lie...

Oo-oo-oo, see that fool, so obscene. Poor little puppet king!

Was it blackmail or bribery? Dirty money or maybe...pee?

Long as you go to prison—we don't really care.

Justice is getting near... Go cry to Vladimir... **CHORUS**

8. WE WILL STOP YOU (Queen; Leydorf)

Donny, you're an ass—makin' big noise, tweetin' in the night, doin' nothin' but golf all day!

You got mud on your face, you big disgrace.

Spreadin' your lies all over the place!

(Sing it!) **We will, we will stop you! X2**

Donny you're a lyin' traitor, suckin' up to Russia, the Kochs & the NRA.

You got blood on your face, you big disgrace,

spreading your hate all over the place.

(Sing it!) **We will, we will stop you! X2**

Donny, you're a sick man, lost man—Time is runnin' out,

gonna send you to jail one day.

Just a dud and disgrace, a big nut case:

Resisters gonna put you back into your place.

9. WE WILL SURVIVE (Gloria Gaynor; Leydorf)

At first we were afraid, we were petrified,

by the sight of all those nasty Nazis by your side.

And we spent so many nights assuming you were such a clown,
that you'd go down—but then the Kremlin came to town!

And you came back with Kislyak. Today you're busy blowing Vladimir to
thank him for the hack.

We should have changed the stupid vote & counted democratically.

Should have known that fools and traitors run the goddamn GOP!

CHORUS Go on now, go, you Russian whore!

Just turn around now, cuz you're not welcome anymore.

Aren't you the fool who tried to break the FBI?

Did you think we'd crumble? Did you think we'd lay down and die?

**Oh no, gurl, bye! We will survive—Oh, as long as we are stuck with you,
the fight will stay alive.**

And thru every turn and twist, we'll have the courage to resist—

We'll survive! We will survive! Hey, hey! DANCE

You got all the cash you need from the NRA

and billionaires who paid to make their taxes go away.

But character is destiny and you're a psychopathic ape:

You can't escape—it's coming soon, the pee-pee tape!

With every week...you spring a leak—

Your cagey AG, Billy Barr, thinks you're the Czar, the fucking freak....

Well if Mueller couldn't do it, Adam Schiff will seal your fate:

You're gonna wish your name was Nixon, you will pray for Watergate!

CHORUS

10. LOVE WILL KEEP US (Capt. & Tenille; Leydorf/Stein)

Love—Love will keep us together. Fight for our side, whoever

Kirsten, Kamalah, Klobuchar, Warren's a star—

I would take Tulsi, she's better by far,

Just stop—you know who we're fighting.

Stop—we are all uniting:

Love will trump hate if we just keep it together. Whoever!

You—You can have your fav'rite. Your boy or bust?

Well, save it.

Biden, Booker, Bernie, or Pete. Beto is neat.

We band together, and we can't be beat,

Just stop (stop)—the hatred and lying.

Stop (stop)—planet earth is dying!

Love will trump hate if we just keep it together: Whoever!

John, John, Julián. Some folks are jonesing for Jay.

When the contest's done and gone, who'll be ready to play?

We will! We will! We will! We-e will be right beside whoever,

Love will keep us together

We've done it before, we can do it again:

Evil can't win: History needs us to fight till the end—

To stop (stop)—injustice and stealing

Stop (stop)—all the double-dealing

Love will trump hate if we just keep it together: Whoever!

Ba-ba-ba-ba-ba. We will, We will, We will!

Just stop (stop)—you know who we're fighting,

Stop (stop)—we are all uniting:

Love will trump hate if we just keep it together: Whoever!

Ba-ba-ba-ba-ba We will, We will, We will, We-e will

2020... Year of plenty.... 2020... Year of plenty....

11. AMERICA THE PITIFUL (Leydorf)

So pitiful, the NRA: A cult of guns and greed.

And Congress only blocks the way & watches while we bleed.

America! America! One hundred die each day

In suicide and homicide, and all we do is pray.

So pitiful, the KKK: Still marching in their sheets!

While Michael Brown & Freddie Gray get murdered in the streets!

America! America! You just can't get it right—

Why can't we see equality for black & brown & white?

So pitiful, the toxic Trump: You lie with every word.

You Russian whore, you stupid chump. Your cabinet is absurd!

America! America! It's just a TV show—

It's comedy and tragedy. How could we stoop so low?

12. GOD, HELP AMERICA (Leydorf)

God, help America—what have you done?

Stand beside us & guide us thru the mess & distress you've begun.

With your bigots and your gun nuts, every greedy billionaire!

God, help America through this nightmare.

Come on, America, stand up to hate—

Don't divide us, unite us: You can't break us to make us more great

Tell the bigots and the gun nuts, every greedy billionaire!

Let's make America more free & fair! God, help America thru this nightmare.

13. BATTLE HIM (Leydorf)

Mine eyes have seen the story of the coming of the Trump.

With a slew of lies he mobilized the moron and the chump.

The country drank the Kool-aid down and landed on its rump,

But we are marching on. **Glory, glory hallelujah...**

He's the cherry on the sundae of the racist and the rich,

So afraid to pay their taxes, they will scratch a fascist itch.

They believe he's Mussolini, but he's only Putin's bitch!

Now we are marching on. **Glory, glory...**

We will someday learn the lesson this catastrophe can teach

We will say goodbye to liars and the hatred that they preach.

Yeah we'll dance from coast to coast the day the Cheeto is impeached!

Till then, we're marching on! **Glory, glory...**

14. OVER THE RAINBOW (Judy; Leydorf)

Somewhere over the rainbow, love trumps hate.

Black lives matter to all, and Muslims can immigrate.

Somewhere over the rainbow, we rejoice—

Women get equal pay and make their own goddamn choice!

Somewhere there is no Cheeto Czar & all the fascist fucks are far behind me!

There's health care when you have an ache,

and Christians have to bake gay cake with Hot! Pink! Icing!

Oh, somewhere over the rainbow, kids run free—

They're not locked up in prison, ripped from their families...

But facts are not alternative: Let's bring the rainbow here and fight to live

15. THEY'RE BEGINNING TO LOOK... (Leydorf/Tjung)

They're beginning to look a lot less Christian, with their walls & bans.

No more helping thy neighbor out, that's not what they're all about—

There's hell to pay if you are gay or trans!

They're beginning to look a lot less Christian, marching for white pride.

That's the modern-day GOP: The party of Robert E. Lee!

Lincoln would...have...died.

I guess that turning your cheek is pathetic & weak. Lying all day is OK!

Helping the needy is stupid—be greedy! Take their health care away!

You heard the tape—they're fine with rape! Now, bow your heads and pray!

They're beginning to look a lot less Christian: Just ask Kavanaugh.

That do-unto-others bit was always a load of shit—

The boys who take now get to make the law!

They're beginning to look a lot less Christian. What would Jesus do?

I don't think it is in the Psalms to mail people homemade bombs!

Do they speak...for... speak...for...speak...for...you?

16. YOU DON'T OWN ME (Leslie Gore; Leydorf/Stein)

You don't own me: I hope you're ready to... hear my voice:

You don't own me: When it's my body it... is my choice... (1-2-3-4)

So don't...tell me what to do! Don't...tell me what to say!

And when I come to work with you, I... better get equal pay, cuz...

You don't own me. Your bible's not for me...to obey.

You don't own me. Don't tell me what it means...to be gay. (1-2-3-4)

I don't...tell you what to do! I don't...tell you how to pray!

I'll be me, and you be you—now, get the hell out of my way!

If you...think abortion is wrong, then don't get one—this is my song!

So Mister Man, I've got some news, I'll say & do whatever I choose!

(1-2-3-4) You don't own me! You don't own me! You. Don't. Own. Me!

17. WE ARE FAMILY (Sisters Sledge; Leydorf)

We are family: I got all my sisters with me.

We are family: Get up everybody and sing!

We are family: Men and women, LGBT.

We are family: Everybody does their own thing!

Everyone...controls... her o-own body...gets to live her li-i-ife...

HEY! And we don't...care if you...think we're naughty... I won't tell no lie

ALL! All of the people...you must separate: That old church and state?

You better re-read your Bible:

We're giving love while you're preaching ha-a-a-ate!

We are family: I got all my sisters with me.

We are family: Get up everybody and sing!

We are family:

Men and women, LGBT.

**We are family: Everybody
does their own thing!**

We are family! (Clap-clap)

We are family! (Clap-clap)

We are family!

**SONGS
IN THE KEY OF
F*YOU**
