

### 13. END OF THE WORLD (Carpenters; Leydorf)

We're not sweating this catastrophe.  
 What's the difference? It's just 2 or 3 degrees!  
 Nothing flies in the sky, as the birds and bees all die.  
 We are sleeping as we slip beneath the seas.  
 Anything you want comes to your door.  
 You can fly around the world unless you're poor.  
 There's a sweet SUV for your growing family,  
 and the nightly news that you can all ignore.  
**We're at the end of the world, cooking all of creation.**  
**There's a mass extermination? We don't mind!**  
**It's so stupid and cruel, but we love that fossil fuel—**  
**Just keep dancing, it's the end of the world!**

Somethin' in the breeze carries disease;  
 down in Borneo they're burning all the trees;  
 And the fish are all sick, cuz the plastic's so thick—  
 you remember how the North Pole used to freeze?  
 So we shop ourselves into a hell.  
 If our kids survive, what story will they tell?  
 It's a sick fantasy, but it beats reality.  
 Just keep dancing, it's the end of the world.  
**We're at the end of the world, burning down all creation,**  
**And the only explanation I can find:**  
**We keep feeding our greed, while we watch the planet**  
**bleed. Just keep dancing, it's the end of the world! x2**

### 14. PUPPET KING ('Dancing Queen'; Leydorf/Stein)

**You can dance, you can ji-ive,**  
**Tweeting out lie after lie— Oo-oo-oo!**  
**See that fool, so obscene: Poor little puppet king!**

You keep sayin' you are so tough...  
 Fightin' words all the fascists...love.  
 Tariffs where there were treaties, stirrin' up the hate,  
 will never make us great.  
 Anybody can see the truth...  
 You're a traitor, we got the...proof  
 Went to hell in Helsinki—such a sorry show.  
 You made it really clear... You obey Vladimir...  
**CHORUS You are the puppet king:**  
**Dan-gle-ing from your Russian strings!**  
**Puppet king: The KGB owns the GOP! Oh, yeah!**  
**You can dance, you can ji-ive,**  
**Tweeting out lie after lie— Oo-oo-oo!**  
**See that fool, so obscene: Poor little puppet king!**

Was it blackmail or bribery? Dirty money or maybe...pee?  
 Long as you go to prison—we don't really care.  
 Justice is getting near... Go cry to Vladimir... **CHORUS**

### 15. FASCIST USA ('Yellow Submarine'; Miller/Leydorf)

In the land where we were born...we fought wars for...equality.  
 We defended human rights...in the la-a-and...of liberty.  
 But the country took a turn...voted i-i-in...a crime machine.  
 And we fell beneath the thumb...of a fa-ascist tangerine.  
**We won't live in a fascist USA! A fascist USA!...**  
 Well the Nazis scream and shout...as they wo-o-ork...  
 to feed his greed...  
 But the band begins to play! **KAZOO We won't live...**  
 We won't live a life of fear...though he's gro-owing...  
 more obscene.  
 Skies are blue, while we resist. Screw the fascist tangerine.  
**We won't live in a fascist USA! A fascist USA!....**

### 16. WE WILL SURVIVE (G. Gaynor; Leydorf)

At first we were afraid, we were petrified,  
 by the sight of all those nasty Nazis by your side.  
 But character is destiny and you're a psychopathic ape:  
 You can't escape—it's coming soon, the pee-pee tape!  
 With every week...you spring a leak— Your cagey AG,  
 Billy Barr, thinks you're the Czar, the fuckin' freak.  
 Well if Mueller couldn't do it, this November seals your fate:  
 Yer gonna wish yer name was Nixon,  
 you will pray for Watergate!

**CHORUS Go on now, go, you Russian whore!**

**Just turn around now,**  
**cuz you're not welcome anymore.**  
**Aren't you the fool who said Corona'd pass us by?**  
**Go ahead, go postal—**  
**do you think we'll lay down & die?**  
**Oh no, gurl, bye! We will survive—**  
**Oh, as long as we are stuck with you,**  
**the fight will stay alive.**  
**And thru every turn and twist,**  
**we'll have the courage to resist.**  
**We'll survive! We will survive! Hey, hey! DANCE**

You get all the cash you need from the NRA,  
 And billionaires who pay to make their taxes go away.  
 Well, at your super-spreading rallies  
 they may swallow chloroquine,  
 No quarantine can save the stupid and obscene!  
 Since you're a jerk...who's gone berserk—  
 It's up to us to get it done, we've just begun to do the work.  
 We'll survive coronavirus, then we'll turn to climate change:  
 Gonna leave you crooks behind us,  
 there's a world to rearrange! **CHORUS**

**DO IT FOR RUTH**

### 1. MR. POSTMAN (The Marvelettes; Leydorf)

Oh, yeah—wait a minute Mr. Postman! Wa-a-ait, Mr. Postman.  
**CHORUS Please Mr. Postman, look and see (Oh yeah)**  
**You got a ballot in your bag for me? (Please, Please)**  
**Why's it takin' such a long time? (Oh yeah)**  
**He is committing another high crime!**

2020 Election Day, cause of Covid, we are stayin' away.  
 But, Mr. Postman, the GOP, they make a mock-a democracy!  
 He's afraid of us votin', Mr. Postman, so-o-o terrified.  
 Hold up the mail, go beg Mr. Putin—  
 You're gettin' buried in a blue landslide! **CHORUS**

Don't let the snow, or gloomy nights,  
 or coward-crooks take our voting rights.  
 Appointed rounds, we'll help you complete'em—  
 USPS, we gotta defeat him! **CHORUS**

Don't wanna wait a minute, wait a minute—  
 Plus, we gotta win the senate, win the senate!  
 Ple-ease, Mr. Po-o-o-ostman—  
 You mess with the mail, you gonna land in jail!  
 Don't wanna wait a minute, wait a minute,  
 When we gotta win the senate, win the senate!  
 Ple-ease, Mr. Po-o-o-ostman—  
 We made our decision—now send him to prison  
 Not gonna wait a minute, wait a minute,  
 Yeah we're gonna win the senate, win the senate!  
 Ple-ease, Mr. Po-o-o-ostman—  
 Hey here's a solution, read the frickin' Constitution!

### 2. KAMA-KAMA-KAMA (Karma Chameleon; Leydorf)

He keeps golfing while we die, Dirty Don.  
 Tweets some crazy, lazy lie from QAnon.  
 But you know he's getting nervous, turning on his psycho show.  
 Shutting down the postal service? He's gotta go, he's gotta go.  
**CHORUS Kama-Kama-Kama-Kama, Kamala, Kamala...!**  
**And Uncle Joe...! And Uncle Jo-o-o-oe!**  
**2020's crazy, but there's something that you can do:**  
**Get out, vote blue! Get out, vote blue!**

We can guarantee health care and human rights.  
 Billionaires who don't play fair—prepare to fight.  
 Gun control... Good education...  
 Then we'll make a Green New Deal.  
 Get to work, rebuild the nation—  
 Science is real. Science is real. **CHORUS**

History keeps on repeating (repeating)  
 Some new dick who needs defeating...  
 The GOP, they will keep cheating (and cheating)  
 Do your worst—we're not retreating! **KAZOO**  
 Dirty Don is getting nervous— Turning on his psycho show.  
 Shutting down the postal service?  
 He's gotta go, he's gotta go. **CHORUS x3**

### 3. BELIEVE (Cher; Leydorf)

No matter how loud you cry—keep on pushin' some new lie,  
 Yeah, the country's through: We are finished with you.  
 From your Kre-e-emlin collusion—to your Co-o-ovid confusion.  
 You'll relegate the GOP—to a sorry page in history, oh!  
**CHORUS Do you believe in life after Trump!**  
**Can you feel it, too, election day?**  
**We're gonna take down the traitor chump, yo!**  
**Do you believe in life after Trump!**  
**Gonna chase the fascist fools away**  
**Democracy needs its stomach pumped, yo!**

We can pass a Green New Deal. Universal health, for real!  
 We can do all that—no, there's no turnin' back.  
 We need ju-u-ustice for black folks.  
 And new ju-u-udges who aren't jokes.  
 We're fightin' for democracy. Let's take a page from RBG!  
**CHORUS**

All you thieves & racist haters, all you bullies can move along.  
 We don't need you anymore. We don't need you anymore.  
 We don't need you anymore.

No, we don't need you anymore! **CHORUSx2**

#### 4. BALONEY ('Oscar Meyer'; Leydorf)

This baloney has a first name, it's T R U M P.  
This baloney has a second name, the racist G O P.  
They wreck the country every day:  
We have to drive them all away.  
The Trump G O P, N R A, the Nazis, and the K K K.

#### 5. RESIST & SHOUT (Beatles; Tjhung)

Shake it up baby, now. (*Shake it up baby!*)  
Resist & shout. (*Resist & shout!*)  
Come on, come on, come on, come on, baby, now.  
(*Come on, baby!*)  
We're gonna vote 'em all out. (*Vote 'em all out!*)  
Well, vote 'em all out, honey. (*Vote 'em all out!*)  
We'll make it understood. (*Understood!*)  
We got the GOP runnin' now. (*Got 'em runnin'!*)  
They're gonna get what they should. (*Get what they should!*)  
Shake it up baby, now. (*Shake it up baby!*)  
Resist & shout. (*Resist & shout!*)  
Come on, come on, come, come on, baby, now.  
(*Come on, baby!*)  
We're gonna vote 'em all out. (*Vote 'em all out!*)  
**DANCE BREAK** Aah...Aah...Aah...Aah... WOW!!!  
Shake it up baby, now. (*Shake it up baby!*)  
Resist & shout. (*Resist & shout!*)  
Come on, come on, come, come on, baby, now.  
(*Come on, baby!*)  
We're gonna vote 'em all out. (*Vote 'em all out!*)

#### 6. THE TRUMP ADMIN (Addams Fam; Steinberg/Leydorf)

**CHORUS** *Dadadadum Dump Trump!*  
*Dadadadum Dump Trump!*  
*Dadadadum, dadadadum, dadadadum, Dump Trump!*  
The Trump Administration, just might destroy the nation,  
They prize the corporation, despise the common man.  
The trouble is they're traitors, and double-plus dictators,  
They huddle up with haters & kuddle with the klan. **CHORUS**  
Below the Mason-Dixon, they love their naughty Nixon,  
They find the fool transfixin' — they swallow every lie.  
The coal they're keen on mining,  
the kids they are confining,  
If wages keep declining, don't blame the MAGA guy.  
**CHORUS** *You know we'd better wake up,*  
*ensure there is a shake-up,*  
*The time is short to make up, we have to vote them*  
*out! Dadadadum Dump Trump!*

#### 7. AMERICA THE PITIFUL (Leydorf)

**So pitiful, the NRA:** A cult of guns and greed.  
And Congress only blocks the way & watches while we bleed.  
America! America! One hundred die each day,  
In suicide and homicide, and all we do is pray.  
**So pitiful, the boys in blue:**  
They might as well wear sheets.  
Ask Michael, Freddie, George Floyd, too.  
All murdered in the streets!  
America! America! Your liberty's a lie.  
Four centuries of this disease—how many have to die?  
**So pitiful, the toxic Trump:** You lie with every word.  
You Russian tool, you stupid chump. Your cabinet is absurd!  
America! America! It's just a TV show—  
It's comedy and tragedy. How could we stoop so low?

#### 8. AMAZING DISGRACE (Leydorf)

**Amazing disgrace, how sick the sight:** Such hateful lunacy.  
America must stand and fight to save democracy.  
**Disgraceful, how you wink and con,** disgraceful, how you lie!  
But justice always marches on: The truth can never die.  
**They're throwing children into jail**—disgraceful, inhumane  
Poor Lady Liberty is pale: She bows her head in shame.  
**Corona came, the markets fell,** and still you called it fake—  
A million dead might lift the veil.  
Good, God? What will it take?  
**From Rodney King to Michael Brown.** Breonna, Sandra Bland.  
When they were holding George Floyd down:  
They did not see a man.  
**Ahmaud and Trayvon and Tamir,** and Marsha, rest in peace.  
We'll fight the hatred, fight the fear, our fight can never cease.  
**Amazing disgrace,** it won't be long: Our independence day.  
When we will right our every wrong & scrub the stench away.

#### 9. OVER THE RAINBOW (Judy; Leydorf)

**Somewhere over the rainbow,** love trumps hate.  
Black lives matter to all, and Muslims can immigrate.  
**Somewhere over the rainbow,** we rejoice— Women  
get equal pay & make their own goddam choice!  
**Somewhere there is no Cheeto Czar**  
and all the fascist fools are far behind me!  
There's health care when you have an ache, & Christians  
have to bake. Gay. Cake. With Hot! Pink! Icing!  
**Somewhere over the rainbow,** kids run free— they're  
not locked up in prison, ripped from their family...  
But facts are not alternative. Let's bring  
the rainbow here & fight... to live.

#### 10. VOTE 2020 (Madonna; Leydorf/Tjhung/McGinn)

Look around—everywhere you turn is heartache.  
It's worse than you can conceive. (Yeah, look around)  
You try...everything you can to escape...  
the psycho traitor in chief (Hail to the thief)  
If you're fed up and you long to see  
something better for the USA—  
I know a place where you can have your say:  
It's called a ballot box, & it really rocks, so—

*education!*  
**Hey, hey, hey! Come on, vote: Legal weed**  
**& illegal coal—you know we can do it.**

could be yours. (World could be yours)

and knock on some doors! (Knock on lots of doors!)  
It makes no difference if you're black or white,  
if you're a boy or a girl. (Or both!)  
Yeah, the Constitution guarantees you the right—  
You're a superstar, yes that's what you are, you  
know it! **CHORUS**

Stupid's where you find it, with the Kremlin right behind it.

and poisonous, make a fuss, it's on us—  
So register and let's go! **CHORUS**

2020: what the fuck? Can't believe how much you suck.  
Covid. White supremacy. Crime and chaos from the GOP.  
Get ready. Agitate: That's what makes the country great  
John Lewis, RBG—we'll defend your legacy  
AOC and the Squad. Stacy Abrams, we applaud.  
Bernie, Warren, Uncle Joe, Kamala—we're good to go  
We know what we've gotta do,  
Coast to coast, let's turn it blue  
Don't just stand there, let's get to it, strike a blow,  
there's nothing to it. Vote....! Vote.....!

Ooh, you've got to... make the Congress send him to prison!  
Oooh, you've got to... build the world you want to know!  
Oooh, you've got to...

When you feel your fever run, your fever run,  
Cover up your cough every time, Corona!  
**CHORUS** *Everybody stop: 20 secs, wash your dirty hands.*  
**Make the water hot, make it fun, do a purty dance:**  
**Bye-bye-bye, aye-aye, Soap! B-b-b-bye, Corona...**  
Stand a little further, off? A-when you cough?  
Maybe it is Quarantine time, Corona?  
Ain't got no community immunity.  
Don't take chloroquine, that's a lie, Corona! **CHORUS**  
When health care is a human right, not outta sight,  
we can fight a viral blight like Corona!  
Work together, to be sure we'll find a cure.

Everybody's worried 'bout a brand-new bug now—  
**Come on, baby, beat coronavirus!**  
You know we got to fight it, cuz we ain't got no drug now.  
**Come on, baby, beat coronavirus!**  
My neighbors, friends, and fam-i-ly can do it with me:

## XX. WHIP HIM! (Devo; Leydorf)

Crack that whip! Don't abandon ship!  
Step on a quack. Take the country back!  
When a fascist comes along—we must whip him.  
The nightmare's gone too long—we must whip him.  
Democracy's gone wrong—we must whip him.  
Now whip it... The GOP... PDQ... November 3.  
Go forward... Move ahead... Fight for the country...  
It will feel great. To whip him! Whip him good!

He's a traitor and a clown—we must whip him.  
We will never live it down—unless we whip him.  
Fighting every day—until we whip him.  
I say whip him. Whip him good. I say whip him.  
Whip him good!

Crack that whip! Don't abandon ship!  
Step on a quack. Take the country back!

It will feel great. To whip him!  
The GOP. PDQ—November 3.  
Go forward. Move ahead. Fight for the future...  
It will feel great. To whip him! Whip him good!

## XX. NO TAX MAN (Beatles; Leydorf)

Let me tell you how it will be:

One rule for you, no rules for me.  
I pay no tax, man. I pay no tax, man!  
The one percent have different rules.  
The rest of you are total fools.  
I pay no tax, man. I pay no tax, man!

Am I worth a dime? I'll never tell!  
Did I commit a crime? Won't go to jail!  
Do I owe the mob? Does something smell?  
For some Russian job? You can go to hell!  
Don't ask me, I won't show you shit,  
Cause bla-bla-bla-blah—au-dit.  
I pay no tax, man. I pay no tax, man!

Now my advice for those who pay  
Is cheat all day, the Cheeto way.  
I pay no tax, man. I pay no tax, man!  
And I'm working for no one but me.

## XX. ROOM WHERE IT HAPPENS (Hamilton; Leydorf)

..... How you gonna make your dreams come true?  
You know, turns out the answer really comes down to you...  
Listen: POST LESS.... WORK MORE... Do whatever it  
takes to get your plan on the Congress floor...  
From Madison and Jefferson down to today—yep... The vital  
link, thru to Lincoln? DEMOCRACY!  
Take a note: you gotta vote: especially when the world is  
really sinkin'

Great Depression: FDR went far — the people said we need  
a brand-New Deal, you feel?  
They won, defeated Hitler, paved the way for JFK & LBJ,  
yay!  
Civil rights and voting rights— now that's people power—A  
system we can shape however we want—  
From your local school board to the nation's capital— You  
want to see real resistance?

**The voting booth is the room where it happens:**  
**The room where it happens, the room where it happens**  
**The voting booth is the room where it happens:**  
**The room where it happens, the room where it happens**  
**Want to really know how the game is played?**  
**How decisions get made, better futures arrayed?**  
**You can't assume it will happen—**  
**Unless you get into the room where it happens.**

Trumpy claims— Says he drained the swamp in  
Washington, but the country's in distress & disarray  
Trumpy claims— Stable genius, it's fake news, the corona  
hoax will vanish any day  
Trumpy claims— Good people on both sides! Need a wall  
from shithole countries, make Mexico pay!  
Trumpy claims— That he belongs on Rushmore—With  
every desecration—the nation should blush more.

**The voting booth is the room where it happens:**  
**The room where it happens, the room where it happens**  
**The voting booth is the room where it happens:**  
**The room where it happens, the room where it happens**  
**Member four years back, how you hated Hillary?**  
**Couldn't hold your nose, gave away democracy?**  
**You can't assume things will happen:**  
**Unless you get into the room where it happens.**

Meanwhile— Dirty Don is grappling with the fact that most of  
the people think their president is shitty  
Meanwhile— Congress is now controlled by lobbyists and  
Russians \*\*\*\*\* It isn't pretty  
Some of Donny's cronies gave Zelensky an invite— Rudy  
Giuliani had Nixonian insight

Maybe we can solve one problem with another—  
Ukraine'll get its cash for the eastern front Just pull a  
stunt!... a quid pro quo... Smear Joe!  
You might think for that the traitor oughta go... Impeach him  
you would—  
Not the GOP Senate—They don't mind all that stuff. But the  
country's had enough.

**The voting booth is the room where it happens:**  
**The room where it happens, the room where it happens**  
**The voting booth is the room where it happens:**  
**The room where it happens, the room where it happens**  
**My God! In God you trust? If you really want to**  
**make...the world more just—**  
**CLICK BOOM make it happen—**  
**You gotta get into the room where it happens**

Eager young American— What can I say to you to get you to  
fight? Take the arrow from your quiver?  
Eager young American— Planet's crying, people dying—  
can't you see that we have gotta mandate to deliver!  
Eager young American— Now don't worry, you've got time,  
or you can do it absentee!  
For e-quality—get in the damn booth. For Ruth, for RBG—  
we are fighting for the truth  
If Ruth was in the game, she'd stay in the game  
Yeah, you don't get a win unless you playin' the game  
So educate for it, agitate for it—You'll get nothing if you wait  
for it, wait for it, wait—  
...God help and forgive you— You wanna build something  
that's gonna outlive you?  
What do you want, girl? What do you want, boy? If you stand  
for nothing, well, then what will you fall for?

**You...gotta be in the room where it happens:**  
**The room where it happens**  
**You...gotta be in the room where it happens:**  
**The room where it happens**  
**The voting booth is the room where it happens:**  
**The room where it happens, the room where it happens**  
**The voting booth is the room where it happens:**  
**The room where it happens, the room where it happens**  
**The voting booth is the room where it happens:**  
**The room where it happens, the room where it happens**  
**The voting booth is the room where it happens:**  
**The room where it happens, the room where it happens**  
**The voting booth is the room where it happens:**  
**The room where it happens, the room where it happens**

The art of the compromise... Make a choice with o-pen-eyes  
We want our leaders to save the day—  
You get a say in what they trade away—  
So dream of a brand-new start: You can follow your heart,  
only be smart—

Get in the room where it happens

**We've got to be in the room (where it happens)**  
**The voting booth is the room where it happens**  
**The voting booth is the room where it happens**  
**The voting booth is the room where it happens**  
**The voting booth is the room where it happens**  
**We've got to be, We've got to be, We've got to be**  
**In the room—Click boom!**
