

24. THE TRUMP ADMIN (Addams Family; Steinberg/Leydorf)

CHORUS Dadadadum Dump Trump! Dadadadum Dump Trump!
Dadadadum, dadadadum, dadadadum, Dump Trump!
The Trump Administration, just might destroy the nation,
They prize the corporation, despise the common man.
The trouble is they're traitors, and double-plus dictators,
They huddle up with haters, and kuddle with the klan. **CHORUS**

Below the Mason-Dixon, they love their naughty Nixon,
They find the fool transfixin' — they swallow every lie.
The coal they're keen on mining, the kids they are confining,
If wages keep declining, don't blame the MAGA guy. **CHORUS**

You know we'd better wake up, ensure there is a shake-up,
The time is short to make up, we have to vote them out! Dump Trump!

25. NEXT PLANE TO MOSCOW (Monkees; Kidd/Leydorf)

Take the next plane to Moscow—you have sold out our great nation.
You can cry to daddy Vladdy, we have made your reservation,
don't be slow. Oh, no, no, no! Oh, no, no, no!

You could travel with Melania, but she prob'ly wants divorce.
Stuff pirozhkis in your pie hole, trade your burgers for some borscht,
you gotta go. Go, go, go, go! You Russian ho!
And believe us you are never coming home!

Take the next plane to Moscow, where you'll never
build your tower,
We have scrutinized your Putin ties and...
he don't need you...out of power.
No! Oh, no, no, no! Oh, no, no, no!
Do-do-do-do-do-do-do-do. Do-do-do-do-do-do-do-do
Do-do-do-do-do-do-do-do-oooo! **REPEAT**

Take the next plane to Moscow
for a permanent vacation
You can pack your wig and bronzer,
we'll begin the fumigation, gotta go.
Go, go, go, go! You Russian ho!
And believe us you are never coming home!
Take the next plane to Moscow (Goooooo!) X6

26. WE WILL STOP YOU (Queen; Leydorf/Stein)

Donny you're an ass—makin' big noise, tweetin' in the night,
doin' nothin' but golf all day!
You got mud on your face, you big disgrace, spreadin' your lies
all over the place! (Sing it!) **We will, we will stop you!** X2
Donny you're a lyin' traitor, suckin' up to Russia, the Kochs & the NRA.
You got blood on your face, you big disgrace, spreading your hate
all over the place. (Sing it!) **We will, we will stop you!** X2
Donny, you're a sick man, lost man—Time is runnin' out,
gonna send you to jail one day.
Just a dud and disgrace, a big nut case: Resisters gonna put you
back into your place. (Sing it!) **We will, we will stop you!** X2

**SONGS
IN THE KEY OF

27. PUPPET KING ('Dancing Queen'; Leydorf/Stein)

You can dance, you can ji-ive, tweeting out lie after lie...
Oo-oo-ooh, see that fool, so obscene. Poor little puppet king
You keep sayin' you are so tough... Fightin' words all the fascists...love.
Tariffs where there were treaties, stirrin' up the hate, will never make us great.
Anybody can see the truth... You're a traitor, we got the...proof
Went to hell in Helsinki—such a sorry show.
You made it really clear... You obey Vladimir...
CHORUS **You are the puppet king: Dan-gle-ing from your Russian strings!**
Puppet king: The KGB owns the GOP! Oh, yeah!
You can dance, you can ji-ive, tweeting out lie after lie...
Oo-oo-ooh, see that fool, so obscene. Poor little puppet king!
Was it blackmail or bribery? Dirty money or maybe...pee?
Long as you go to prison—we don't really care.
Justice is getting near... Go cry to Vladimir... **CHORUS**

28. WE WILL SURVIVE (Gloria Gaynor; Leydorf)

At first we were afraid, we were petrified,
by the sight of all those nasty Nazis by your side.
And we spent so many nights assuming you were such a clown,
that you'd go down—but then the Kremlin came to town!
And you came back with Kislyak. Today you're busy blowing Vladimir
to thank him for the hack.
We should have changed the stupid vote
& counted democratically.
Should have known that fools and traitors
run the goddamn GOP!
CHORUS **Go on now, go, you Russian whore!**
Just turn around now,
cuz you're not welcome anymore.
Aren't you the fool who tried to break the FBI?
Did you think we'd crumble?
Did you think we'd lay down and die?
Oh no, gurl, bye! We will survive—
Oh, as long as we are stuck with you,
the fight will stay alive.
And thru every turn and twist,
we'll have the courage to resist—
We'll survive! We will survive!
Hey, hey! DANCE BREAK

You got all the cash you need from the NRA
and billionaires who paid to make their taxes go away.
But character is destiny and you're a psychopathic ape:
You can't escape—it's coming soon, the pee-pee tape!
With every week...you spring a leak—
Your cagey AG, Billy Barr, thinks you're the Czar, the fucking freak.
Well if Mueller couldn't do it, Adam Schiff will seal your fate:
Yer gonna wish yer name was Nixon, you will pray for Watergate! **CHORUS**

29. LOVE WILL KEEP US (Capt. & Tenille; Leydorf/Stein)

Love—Love will keep us together. Fight for our side, whoever
Kirsten, Kamalah, Klobuchar, Warren's a star—I would take Tulsi, she's better by far,
Just stop—you know who we're fighting. Stop—we are all uniting:
Love will trump hate if we just keep it together. Whoever!
You—You can have your fav'rite. Your boy or bust? Well, save it.
Biden, Booker, Bernie, or Pete. Beto is neat. We band together, and we can't be beat,
Just stop—the hatred and lying. Stop—planet earth is dying!
Love will trump hate if we just keep it together. Whoever!
John, John, Julián. Some folks are jonesing for Jay.
When the contest's done and gone, who'll be ready to play?
We will! We will! We will! We-e will be right beside whoever,
Love will keep us together: We've done it before, we can do it again:
Evil can't win: History needs us to fight till the end—
To stop—injustice and stealing. Stop—all the double-dealing
Love will trump hate if we just keep it together: Whoever!
Ba-ba-ba-ba We will, We will, We will, We-e will! 2020, Year of plenty...

QUEER LIBERATION MARCH

1. GILBERT'S RAINBOW (for G Baker; Leydorf)

Down here, under your rainbow, we have changed.
Banners wave in the breeze, where worlds have been rearranged.
Down here, under your rainbow, we've grown bold.
With you leading the way, we found our own pot of gold.
With yellow, red, and orange and green,
we put the gray days we had seen behind us!
We've marched so very far with you,
but there is still so much to do—as you'd remind us!
Down here, under your rainbow, we are blue.
We have lost you, our friend—best teacher we ever knew.
To violet you have gone ahead, but we'll pick up your spool of rainbow thread.

2. OVER THE RAINBOW (Judy; Leydorf)

Somewhere over the rainbow, love trumps hate.
Black lives matter to all, and Muslims can immigrate.
Somewhere over the rainbow, we rejoice—
Women get equal pay and make their own goddamn choice!
Somewhere there is no Cheeto Czar and all the fascist fucks are far behind me!
There's health care when you have an ache,
and Christians have to bake gay cake with Hot! Pink! Icing!
Oh, somewhere over the rainbow, kids run free—
They're not locked up in prison, ripped from their families...
But facts are not alternative: Let's bring the rainbow here & fight to live

3. RAINBOW CONNECTION (Kermit the Frog; Leydorf)

Why are there so many songs @ rainbows & what do they mean for pride?
What is our vision? An end to division, a world where there's nothing to hide.
Yes, we are here and we're queer—pick a letter, we're L-G-B-T-I-A-Q.
CHORUS **Hey there, you found it: the Rainbow Connection,**
the lovers, the dreamers & you.
Gittings & Kameny, & Glibert & Edie. Plus Marsha, our Stonewall star.
ACT UP & Housing Works, & GAG & QueerNation—God, we have come so far!
No agonizing, just keep organizing—there's so much work still to do. **CHORUS**
All of us under its spell—we're marching right into the future...
Come on, get on your feet! and raise up your voices—
you hear us calling your name?
That is the sweet sound of queer revolution. Come out, get into the game.
You've heard it too many times to ignore it. The song in your heart ringing true,
CHORUS **La lala la lala la la la la la la la**

4. AMERICA THE PITIFUL (Leydorf)

So pitiful, the NRA: A cult of guns and greed.
And Congress only blocks the way & watches while we bleed.
America! America! One hundred die each day
In suicide and homicide, and all we do is pray.
So pitiful, the KKK: Still marching in their sheets!
While Michael Brown & Freddie Gray get murdered in the streets!
America! America! You just can't get it right—
Why can't we see equality for black & brown & white?
So pitiful, the toxic Trump: You lie with every word.
You Russian whore, you stupid chump. Your cabinet is absurd!
America! America! It's just a TV show—
It's comedy and tragedy. How could we stoop so low?

5. GOD, HELP AMERICA (Leydorf)

God, help America—what have you done?
Stand beside us & guide us thru the mess & distress you've begun.
With your bigots and your gun nuts, every greedy billionaire!
God, help America through this nightmare.
Come on, America, stand up to hate—
Don't divide us, unite us: You can't break us to make us more great
Tell the bigots and the gun nuts, every greedy billionaire!
Let's make America more free & fair! God, help America thru this nightmare.

6. BATTLE HIM (Leydorf)

Mine eyes have seen the story of the coming of the Trump.
With a slew of lies he mobilized the moron and the chump.
The country drank the Kool-aid down and landed on its rump,
But we are marching on. **Glory, glory hallelujah...**
He's the cherry on the sundae of the racist and the rich,
So afraid to pay their taxes, they will scratch a fascist itch.
They believe he's Mussolini, but he's only Putin's bitch!
Now we are marching on. **Glory, glory...**
We will someday learn the lesson this catastrophe can teach
We will say goodbye to liars and the hatred that they preach.
Yeah we'll dance from coast to coast the day the Cheeto is impeached!
Till then, we're marching on! **Glory, glory...**

7. FAVORITE THINGS ('Sound of Music'; Miller/Tjung/Leydorf)

Building a wall between churches and congress
Making a choice between rightness and wrongness
Taking down tyrants who act like they're kings:
These are a few of our favorite things.
The right to gather and the 1st Amendment,
Choices I'd rather and thoughts independent,
Getting a lawyer when I'm in a fight: These are a few of my favorite rights.
When the laws bend, when the feds cheat & I'm feeling mad,
I simply remember the Constitution & then I don't feel so bad.
Marching around when I'm angry with Congress,
Shouting them down to make them keep their promise,
Going to school, feeling safe day & night:
These are a few of my favorite rights.
When the news sucks, when the jerks win & I'm feeling mad,
I simply remember the Constitution & then I don't feel so bad.
Flynn and McFarland and Corsi and Cohen.
Manafort, Gates—and we're just getting goin'!
Pappawhatever & Sater & Stone: Jared & Junior weren't acting alone!
Egorov, Kislyak, and Miss Butina.
Somebody Dutch I think came in between—
Julian sending out key Wikileaks! Devin and dozens of GOP freaks!
Is your tongue tied? Does your head spin? Are you feeling mad?
Don't have to remember quite all of their names
in Donny's big deal for Vlad!

8. YOU DON'T OWN ME (Leslie Gore; Leydorf/Stein)

You don't own me: I hope you're ready to... hear my voice:
You don't own me: When it's my body it... is my choice... (2-3-4)
So don't...tell me what to do! Don't...tell me what to say!
And when I come to work with you, I... better get equal pay, cuz...
You don't own me. Your bible's not for me...to obey.
You don't own me. Don't tell me what it means...to be gay. (2-3-4)
I don't...tell you what to do! I don't...tell you how to pray!
I'll be me, and you be you—now, get the hell out of my way!
If you...think abortion is wrong, then don't get one—this is my song!
So Mister Man, I've got some news, I'll say & do whatever I choose!
(1-2) **You. Don't. Own. Me!**

9. WE ARE FAMILY (Sisters Sledge; Leydorf)

CHORUS **We are family: I got all my sisters with me.**
We are family: Get up everybody and sing!
We are family: Men and women, LGBT.
We are family: Everybody does their own thing!
Everyone...controls... her o-own body...gets to live her li-i-ife...
HEY! And we don't...care if you...think we're naughty... I won't tell no lie
ALL! All of the people...you must separate: That old church and state?
You better re-read your Bible: We're giving love while you're
preaching ha-a-a-ate! **CHORUS**
We are family! (Clap-clap) We are family! (Clap-clap) We are family!

10. HELL HOLE ALABAMA (Lynyrd Skynyrd; Leydorf)

Big boys keep on tryin'—gotta control all of their kin.
Same old song down in the south land.
That shithole 'Bamy did it again... and I think it's a sin.
If its rape or incest—it don't matter: They'll lock up doc for 99.
And a woman better remember: If you miscarry, you'll do time...
Out of their minds.
CHORUS **Hell hole Alabama: Where it's 1862.**
Hell hole Alabama: No, we'll never come to you. Missouri, too.
In Birmingham they love the Bible... oo-hoo-hoo! Love to tell us what do.
But women's rights do not bother us— Their bodies don't belong to you...
That shit is through. **CHORUS x2** **And Georgia, too.**

11. END OF THE WORLD (Carpenters; Leydorf)

We're not sweating this catastrophe.
What's the difference, it's just 2 or 3 degrees?
Nothing flies in the sky, as the birds and bees all die.
We are sleeping as we slip beneath the seas.
Anything you want comes to your door.
You can fly around the world unless you're poor.
There's a sweet SUV for your growing family,
and the nightly news that you can all ignore.
We're at the end of the world, cooking all of creation
There's a mass extermination? We don't mind!
It's so stupid and cruel, but we love that fossil fuel—
Just keep dancing, it's the end of the world!

Somethin' in the breeze carries disease;
down in Borneo they're burning all the trees;
And the fish are all sick, cuz the plastic's so thick—
you remember how the North Pole used to freeze?
So we shop ourselves into a hell.
Throw our children's future in the fire sale.
It's a sick fantasy but it beats reality. Just keep dancing, it's the end...
We're at the end of the world, burning down all creation—
And the only explanation I can find,
We'll keep feeding our greed, while we watch the planet bleed—
Just keep dancing, it's the end of the world! x2

12. A.O.C. ('A.B.C.'; Leydorf)

AOC—takin' down DJT. Stand up to the GOP!
AOC—dancin' free, baby, you and me, girl! x4

13. FASCIST USA ('Yellow Submarine'; Miller/Leydorf)

In the land where we were born, we fought wars for equality
We defended human rights in the land of liberty
But the country took a turn, voted in a crime machine
And we fell beneath the thumb of a fascist tangerine
CHORUS **We won't live in a fascist USA, fascist USA, fascist USA!**
We won't live in a fascist USA, fascist USA, fascist USA! >>>
Well the Nazis scream and shout, as they work to feed his greed
But the band begins to play... **KAZOO CHORUS**
We won't live a life of fear, tho by day he grows more obscene.
Skies are blue, while we resist Fuck the fascist tangerine. **CHORUS x2**

14. IMPEACH THE ... NOW ('Say a Little Prayer'; Tjhung)

America, wake up, don't let the whole country break up—
Impeach the motherfucker now
Attacks on the queer folk? Take women back fifty years? Nope.
Impeach the motherfucker now
CHORUS **Not ever, no never, we never will stop—you know we'll fight you.**
Forever and ever, until you depart—we're so done with you.
Together, together—that's how we will build a world without you
We'll keep on resisting, you'll see...
Each day is more awful—each action he takes unlawful...
Impeach the motherfucker now
Obstruction of justice is reason enough, yeah trust us:
Impeach the motherfucker now. **CHORUS**
Oh, Nancy believe me (Believe me!) Right now there is no one but you!
You know it's tru-u-u-ue. You know what to do! (Answer my prayer!)
Answer our prayers now, Nancy! (Answer my prayer)
Impeach the fucker now (Answer my prayer) Impeach the man right now Nancy!
Oh-oh-oh-oh-oh! **CHORUS**

15. HEY SARAH, SARAH (Doris Day; Leydorf)

When you were just a little girl, you asked your Daddy,
What will I do? Will I be famous? Will I be rich?
Here's what he said to you: Hey Sarah, Sarah,
You're meaner than mean can be—a mean mediocrity,
Poor Sarah, Sarah—you should try D.C.

When Spicey quit and you signed up, you asked the Donald,
What lies ahead? Should I shit rainbows day after day?
Here's what the Donald said: Hey Sarah, Sarah,
Be vicious, my Huckabee! Commit any felony.
Hey Sarah, Sarah—fuckery will be.

Once you've resigned (you all resign!) Go ask a lawyer,
What should you do? Should you plea bargain or take the fifth?
Poor little Huckaboo... Hey Sarah, Sarah,
From this day on 'Huckabee' will mean insincerity,
Poor Sarah, Sarah. A vulgarity for duplicity. Also perjury.
And mendacity, and temerity, foolish fakery, boorish bigotry, ugly thuggery.
Hey Sarah, Sarah—fuckery will be!

16. MAR-A-LAGO! ('Oklahoma!'; Leydorf)

Mar—a-Lago! Where the lies are thicker than the steak!
And the weekend set will not say nyet, if there's any law you want to break!
Mar—a-Lago! It's the wet dream of the GOP:
All the racist rats and kleptocrats dip a toe into the rising sea!
But Putin is no nouveau riche, & he's got dopey Don on a leash!
So when we say: WHOA! What did he do today? NO!
We're only sayin' stay there for good: Mar-a-Lago! Mar-a-Lago! Oy vey!
Mar—a-Lago! It's a temple to vulgarity:
Where the crooked class, can raise a glass to expanding inequality!
Mar—a-Lago! Where the mobsters pay each other off!
And they pass a stash of dirty cash, while they play another round of golf!
We know he belongs to old Vlad, cuz the cad is a tad like his dad!
So when we say: WHOA! What did he do today? NO!
We're only sayin' stay there for good:
Mar-a-Lago! Mar-a-Lago! Yikes! Oy vey!
Mara-Lago! Mara-Lago! Marla Maples! Marla Maples!
Stormy Daniels! Omarosa!
We know that you signed an NDA, but we want you to talk anyway!
So when we say: WHOA! What did he do today? NO!
We're only sayin' stay there for good: Mar-a-Lago! Mar-a-Lago!
M.A.R.A.L.A.G.O. Marala—GO!

17. WE WANNA TAKE YOUR GUN (Beatles; Miller)

Oh yeah, we'll tell you somethin'. We got you on the run.
If you are an abuser, we wanna take your gun!
We wanna take your gu-u-u-u-un, we wanna take your gun!
Oh please, say to me, you had your background check.
Cause when you fail your test—well, what do you expect?
We wanna take your gu-u-u-u-un, we wanna take your gun!
And when you go off we feel sickened inside.
You can't keep shooting random folks
While they hide— While they hide—While they hiiiiiiiiide!
Oh yeah, we'll tell you somethin'. We got you on the run.
If you are a felon, we wanna take your gun!
We wanna take your gu-u-u-u-un, we wanna take your gun!
When we disarm you, we feel happy inside.
If we prevent just one mass shooting
No one dies— No one dies— No one diiiiiiiiies!
Oh yeah, we'll tell you somethin'. We got you on the run.
If you are prone to violence, we wanna take your guuuuuun!
We wanna take your gu-u-u-u-un, We wanna take your gun!
We wanna take your guh-uh-uh-uh-uh-un.

18. FAITH (George Michael; Tjhung/Leydorf)

Well I think it would be nice, if we could break your lobby,
Cuz no, not every lobby knows how to lobby like you-u-u
No! And you never think twice, before you take our dreams away.
Well, we say FUCK the N.R.A. & all the cash you blew!
Oh yeah, you bought up Congress for 20 million, and then the White House—
30 million more!
Well you can spend your heart out—a billion zillion!
You can eat your Russian money, we are showing you the door!
CHORUS **Cuz we gotta have faith. We gotta have fai-aiith.**
Oh yeah—we gotta have faith-a faith-a faith.
We gotta have faith-a faith-a faith-ahhh!

Baby! we wont go back to yesterday, so please-please-please sashay away
You are giving us the blue-ue-ues.
Maybe—we're gonna break the money chain, then we won't have to feel the pain
of another day loaded down with a lotta bad news.
Just watch this river become an ocean. Listen, do you hear that mighty roar?
Yeah baby, We'll keep resisting your evil notions— We have
had it up to here, & we are saying not one more! **CHORUS**

19. NO WALL CHANT (Pink Floyd)

We don't need no racist nation. We don't need no ICE patrols.
You're the only infestation. Trumpie! leave them kids alone!
All in all, you're just another prick with no wall. **x2**

20. SHE IS WARREN* (Helen Reddy; Leydorf/Parker-Russell)

She is Warren, hear her roar, got big plans you can't ignore—
Gonna stand up to the banks and 1 percent.
Time to settle up the score, bring some justice to the poor—
We will finally have a people's president!
Yes she will fight, nonetheless, she will persist.
Unite for civil rights, together we insist on a country...that can do anything!
We are strong (Strong)! We are invincible (Invincible)! We have Warren!

21. BUTTIJIEJ MEDLEY* (KC & the Sunshine Band; Leydorf/Parker-Russell)

I'm for Buttijieg I'm for Buttijieg—from South Bend
I'm for Buttijieg I'm for Buttijieg— for President
I'm for Buttijieg I'm for Buttijieg—from South Bend
I'm for Buttijieg I'm for Buttijieg— for President
Aww— Make make make! Make make make! Make it Buttijieg! Make it Buttijieg!
Aww— Make make make! Make make make! Make it Buttijieg! Make it Buttijieg!
Get out, get out, get out, get out, get out and vote baby! **KAZOO**
Get out, get out, get out, get out, get out for Pete, baby! **KAZOO**

22. GO KAMALA* ('I'm Coming Out,' Diana Ross; Leydorf)

Go, Kamalah... We want the world to know, Don the Con must go...
Go, Kamalah... Make up with Mexico... And we'll fight for Roe.
There's a new day, comin' on— let's stop climate change, and pay a living wage,
Get health care rearranged.
I think this time around, we are gonna do it... we will pull right thru it...
oh, she'll prosecute!
The time has come for us to break out of this hell—
Want rule of law? Vote for Kamalah!
Go, Kamalah... We want the world to know, Don the Con must go...
Go, Kamalah... We want a CEO... Not a puppet show.

23. BARACK OBAMA ('Mamma Mia!'; Stein/Leydorf)

We've been screwed by this schmuck since they voted him in.
Things have gotten so bad, don't know where they will end.
Look at us now, what a total mess! Can't believe how...
The GOP runs the government. Catering to the one percent!
Lies and cheats—and that is only the start.
Tweet by tweet he'll tear the country apart. Whoa-o-o-oo!
Barack Obama, why'd you have to go? Why, why? God, how much we miss you
Barack Obama, now we need to know: Why, why? Can't we have a re-do?
Yeah, we've been brokenhearted. Sick, since the day he started.
Why, why did we ever let you go?
Barack Obama, now we really know: How low Donny & his crew will go.
We've been heading downhill since two-thousand sixteen.
Wisdom, kindness, and strength are nowhere to be seen.
Ruling from bed, burgers by his side, filling his head,
Full of nonsense from Fox TV, lies he takes from Sean Hannity.
Sick, sick, sick—the narcissistic disease.
What a prick. He's got us down on our knees. Whoa-o-o-oo!
Barack Obama, why'd you have to go? Why, why? God, how much we miss you
Barack Obama, now we need to know: Why, why? Can't we have a re-do?
Yeah, we've been brokenhearted. Sick, since the day he started.
Why, why did we ever let you go?
Barack Obama, we are desperate now. Why why? Can't we do it ovuh?
Barack Obama, hear our pleading vow: Come back, maybe run with Oprah?
Yeah, we've been brokenhearted. Sick, since the asshole started—
Why, why did we ever let you go?
Barack Obama, now we really know: How low Donny & his crew will go!

***Sing Out, Louise! does not endorse candidates. When it's time to vote, just choose the sane one, OK!**
