

11. RESIST AND SHOUT

Shake it up baby, now. (Shake it up baby!)
Resist & shout. (Resist & shout!)
Come on, come on, come on,
come on, baby, now.
(Come on, baby!)
We're gonna vote 'em all out.
(Vote 'em all out!)
Well, vote 'em all out, honey. (Vote 'em all out!)
We'll make it understood. (Understood!)
We got the GOP runnin' now. (Got 'em runnin'!)
They're gonna get what they should.
(Get what they should!)
Shake it up baby, now. (Shake it up baby!)
Resist & shout. (Resist & shout!)
Come on, come on,
come, come on, baby, now.
(Come on, baby!)
We're gonna vote 'em all out.
(Vote 'em all out!)
DANCE BREAK Aah...Aah...Aah...Aah... WOW!!!
Shake it up baby, now. (Shake it up baby!)
Resist & shout. (Resist & shout!)
Come on, come on,
come, come on, baby, now.
(Come on, baby!)
We're gonna vote 'em all out.
(Vote 'em all out!)

12. WE WILL SURVIVE

At first we were afraid, we were petrified,
by the sight of all those nasty Nazis by your side.
But character is destiny
and you're a psychopathic ape:
You can't escape—
It's coming soon, the pee-pee tape!
With every week...it really reeks—
Poor Donny boy, you've fallen far,
now you're the Czar of fools and freaks.
Charlie Mueller couldn't do it,
but November sealed your fate:
Yer gonna wish yer name was Nixon,
you will pray for Watergate!

CHORUS

Go on now, go, you Russian whore!
Just turn around now,
cuz you're not welcome anymore.
Aren't you the fool who said Corona was a lie?
Did you catch covfefe?
Yeah karma's cold, but we won't cry—
Oh no, gurl, bye! We will survive—
Oh, as long as we got rid of you,
the fight will stay alive.
And thru every turn and twist,
we'll have the courage to resist.
We'll survive! We will survive! Hey, hey!
DANCE BREAK
You'll get every crooked clown
on earth to book a stay,
at Mara-Lago where they
puff and fluff you day by day.
And out in Maricopa County
they can peddle your Big Lie—
It's worth a try—
you did convince the Pillow Guy!
But, Dirty Don...now you are gone—
You'll land in jail, you fucking fail—
on planet earth we're moving on.
We'll survive coronavirus,
then we'll turn to climate change:
Gonna leave you fools behind us,
there's a world to rearrange! **CHORUS**

1. GOD HELP AMERICA

God, help America—what have you done?
Stand beside us, and guide us
thru the mess and distress you've begun.
With your bigots and your gun nuts,
every greedy billionaire!
God, help America through this nightmare.
Come on, America, stand up to hate.
Don't divide us, unite us:
You can't break us to make us more great
Tell the bigots and the gun nuts,
every greedy billionaire!
Let's make America more free and fair!
God, help America...thru this nightmare.

2. AMERICA THE PITIFUL

So pitiful, the NRA: A cult of guns and greed.
And Congress only blocks the way
& watches while we bleed.
America! America! One hundred die each day,
In suicide and homicide, and all we do is pray.
So pitiful, the boys in blue:
They might as well wear sheets.
Ask Michael, Freddie, George Floyd, too.
All murdered in the streets!
America! America! Your liberty's a lie.
Four centuries of this disease—
how many have to die?
So pitiful, the toxic Trump:
Where facists get their fix.
He mobilized his MAGA chumps
on January six!
America! America! It's just a TV show—
It's comedy and tragedy.
How could we stoop so low?

3. FAVORITE THINGS

Building a wall between
churches and congress
Making a choice between
rightness and wrongness
Taking down tyrants who act
like they're kings:
*These are a few
of our favorite things.*
The right to gather
and the 1st Amendment,
Choices I'd rather and thoughts independent,
Getting a lawyer when I'm in a fight:
These are a few of my favorite rights.
When the laws bend, when the feds cheat
and I'm feeling mad,
I simply remember the Constitution
and then I don't feel so bad.
Marching around
when I'm angry with Congress,
Shouting them down to make them
keep their promise,
Going to school, feeling safe day and night:
These are a few of my favorite rights.
When the news sucks, when the jerks win
and I'm feeling mad,
I simply remember the Constitution
and then I don't feel so bad.

4. WE ARE FAMILY

CHORUS
We are family: I got all my sisters with me.
We are family: Get up everybody and sing!
We are family: Men and women, LGBT.
We are family: Everybody does their own thing!
Everyone...controls... her o-own body...
gets to live her li-i-ife...
HEY! And we don't...care if you...think we're
naughty... I won't tell no lie
ALL! All of the people...you must separate:
That old church and state?
You better re-read your Bible: We're giving
love while you're preaching ha-a-a-ate!
CHORUS We are family! (Clap-clap) We are
family! (Clap-clap) We are family!

5. END OF THE WORLD
We're not sweating this catastrophe.
What's the difference, it's just 2 or 3 degrees?
Nothing flies in the sky,
as the birds and bees all die.
We are sleeping as we slip beneath the seas.
Anything you want comes to your door.
You can fly around the world
unless you're poor.
There's a sweet SUV for your growing family,
and the nightly news that you can all ignore.
We're at the end of the world,
cooking all of creation
There's a mass extermination?
We don't mind!
It's so stupid and cruel,
but we love that fossil fuel!
Just keep dancing, it's the end of the world!
Something in the breeze carries disease;
down in Borneo they're burning all the trees;
And the fish are all sick,
cuz the plastic's so thick—
you remember how the North Pole
used to freeze?

So we shop ourselves into a hell.
Throw our children's future in the fire sale.
It's a sick fantasy but it beats reality.
Just keep dancing, it's the end of the world.
We're at the end of the world,
burning down all creation—
And the only explanation I can find,
We'll keep feeding our greed,
while we watch
the planet bleed.
Just keep dancing, it's the end of the world! x2

6. FAITH
Well I think it would be nice,
if we could break your lobby,
Cuz no, not every lobby
knows how to lobby like you-u-u.
No! And you never think twice,
before you take our dreams away.
Well, we say FUCK the N.R.A.

and all the cash you blew!
Oh yeah, you bought up Congress for 20 million,
and then the White House—30 million more!
Well you can spend your heart out
—a billion zillion!
You can eat your Russian money,
we are showing you the door!
CHORUS Cuz we gotta have faith.
We gotta have fai-aihh.
Oh yeah—we gotta have faith-a faith-a faith,
We gotta have faith-a faith-ahhh!
Baby! We won't go back to yesterday,
so please, please, please sashay away—
You are giving us the blue-ue-ues.
Maybe—we're gonna break the money chain,
Then we won't have to feel the pain
of another day loaded down with a lotta bad news.
Just watch this river become an ocean.
Listen, do you hear that mighty roar?
Yeah baby, We'll keep resisting your evil notions
We have had it up to here,
& we are saying not one more! **CHORUS**

7. SENATOR SCHUMER
(Beauty School Dropout)
Senator Schumer,
thanks for the leadership you bring
Senator Schumer,
you are the reason that we sing
We volunteered and organized,
we postcarded for hours
and now you find your ass in power!
Here's your assignment:
Now is the chance to show your spine
Time for alignment:
Shouldn't Joe Manchin toe the line?
If you wait for Susan Collins,
then we'll all look like a fool.
Break up the filibuster, let the people rule.
Now Mitch is funin',
cuz our majority's in place
Schumer stop Schumin',
cuz slow-and-steady blows the race!
We're just fifty-one with Kamala,

the margin is a squeaker
We can match the balls the House has shown,
with Nancy as our Speaker!
We've got your back, Chuck.
But we want bold, progressive change
Don't be a slack, Chuck.
Exercise brawn as well as brains!
We need Gun Control, Protect the Polls,
the Green New Deal is wise...!
Get us all Health care, Chuck,
and you'll have...earned the...pri-!-ize!

8. OVER THE RAINBOW
Somewhere over the rainbow,
love trumps hate.
Black lives matter to all,
and Muslims can immigrate.
Somewhere over the rainbow, we rejoice.
Women get equal pay
and make their own goddamn choice!
Somewhere there is no Cheeto Czar
and all the fascist fools are far behind me!
There's health care when you have an ache,
and Christians have to bake. Gay. Cake.
With Hot! Pink! Icing!
(pause 234)
I don't..tell you what to do!
I don't..tell you how to pray!
I'll be me, and you be you—
Let's pass the goddamn E-E R Ai
if you...think abortion is wrong,
then don't get one, this is my song!
So Mister Man, I've got some news,
I'll say & do whatever I choose!
(pause 234)
You. Don't. Own. Me

9. PUT DOWN THAT GUN
CHORUS Put down that gun, Teenie-weenie.
Put down that gun—
Your dick is tiny, and it's all right.
Little darlin',
you've got a short & stubby member.
Little darlin',
you're overcompensating, dear.
CHORUS
Little darling, you're bringin'
guns to peaceful protests?

Little darling, try a guitar or fishing rod?
kazoo
But you can't Cum-Cum-Cum with a Gun!
No you can't Cum-Cum-Cum with a Gun!
You'll never Cum-Cum-Cum with a Gun!
Little darlin', smoke a cigar,
or drive a Hummer?
Little darlin', nobody cares if you are queer.
CHORUS

10. YOU DON'T OWN ME
You don't own me:
I hope you're ready to... hear my voice:
You don't own me:
When it's my body it... is my choice.
(pause 234)
So don't..tell me what to do!
Don't...tell me what to say!
And when I come to work with you,
I...better get equal pay, cuz...
You don't own me.
Your bible's not for me...to obey.
You don't own me.
Don't tell me what it means...to be gay.
(pause 234)
I don't..tell you what to do!
I don't..tell you how to pray!
I'll be me, and you be you—
Let's pass the goddamn E-E R Ai
if you...think abortion is wrong,
then don't get one, this is my song!
So Mister Man, I've got some news,
I'll say & do whatever I choose!
