

1. STAY A LITTLE FARTHER (Jackson Browne version; Walker/Leydorf)

Oh, won't you stay, just a little bit farther,
Please move away... just a little bit more. Oh-oh-oh
Now Corona don't care, bout the feelings we share,
If we wanna have a prayer, you just stay right over there. At least 6 feet!

HIGH: *Oh won't you keep, just a little bit cleaner,
Please Please Please wash your hands Waash your haands!*

DANCE BREAK

Oh, won't you stay, just a little bit farther,
Please move away... just a little bit more. Oh-oh-oh
Now Corona needs skin, so we gotta stay in,
Separated, we can win. Early summer? Maybe then,
We can. Screeeeew again!

2. AMAZING DISGRACE (Leydorf)

Amazing disgrace, how sick the sight: Such hateful lunacy.
America must stand and fight to save democracy.
Disgraceful, how you wink and con, disgraceful, how you lie!
But justice always marches on: The truth can never die.
You're throwing children into jail—disgraceful, inhumane
Poor Lady Liberty is pale: She bows her head in shame.
Corona came, the markets fell, and still you called it fake—
A million dead might lift the veil—Good, God? What will it take?
You fascist fraud, you Russian tool, you kleptocratic clown—
You think you're God you filthy fool, but we will bring you down.
Amazing disgrace, it won't be long: Our independence day.
When we will right your every wrong and scrub your stench away

3. GOD, HELP AMERICA (Leydorf)

God, help America—what have you done?
Stand beside us and guide us thru the mess & distress you've begun.
With your bigots and your gun nuts, every greedy billionaire!
God, help America through this nightmare.

Come on, America, stand up to hate—
Don't divide us, unite us: You can't break us to make us more great
Tell the bigots and the gun nuts, every greedy billionaire!
Let's make America more free & fair!
God, help America thru this nightmare.

4. CAN'T TOUCH MY FACE (Divinyls; Leydorf)

The health-care pros are full of some fun facts.
Corona blows—can't have any contacts.
Yeah, it's a bitch—I don't want to catch you.
But God this itch—I'm dyin' to scratch you...
**I can't keep my poor hands in place
and it makes me crazy, can't touch my face!**
Ooh, trapped for days...in a squirmy space. Oh no, co-ro-no-no!

This is hell...my nose'll start twitchin'. Got no gel...to saniti-i-ize
My gemy hands, but it's too bewitchin'. I need to rub my ey-ey-eyes!

I will not die...I'll try meditation.

I know that I...can survive this sensation.
More exercise? Maybe up my hydration?
Is my wrist authorized? I can't go the duration...

**I can't keep my poor hands in place
and it makes me crazy, can't touch my face!**
Ooh, trapped for days...in a squirmy space. Oh no, co-ro-no-no!

Don't pick your nose...your nose is contagious.
Don't pick your ear...you hear? Be courageous.
Don't bite your nails...your nails are a vector
Just persevere—wear a facial deflector!

**Ahhh! I can't keep my poor hands in place
and it makes me crazy, can't touch my face!**
**Ooooh, trapped for days...in a squirmy space
and I'm goin' crazy, can't touch my face!**
Can't touch my... face! Can't touch my face!
Can't touch my... face! I'm going insane! Can't touch my face!

5. END OF THE WORLD (Carpenters; Leydorf)

We're not sweating this catastrophe.
What's the difference, it's just 2 or 3 degrees?
Nothing flies in the sky, as the birds and bees all die.
We are sleeping as we slip beneath the seas.
Anything you want comes to your door.
You can fly around the world unless you're poor.
There's a sweet SUV for your growing family,
and the nightly news that you can all ignore.
**We're at the end of the world, cooking all of creation
There's a mass extermination? We don't mind!**
**It's so stupid and cruel, but we love that fossil fuel—
Just keep dancing, it's the end of the world!**

Somethin' in the breeze carries disease;
down in Borneo they're burning all the trees;
And the fish are all sick, cuz the plastic's so thick—
you remember how the North Pole used to freeze?
So we shop ourselves into a hell.
Throw our children's future in the fire sale.
It's a sick fantasy but it beats reality. Just keep dancing, it's the end...
**We're at the end of the world, burning down all creation—
And the only explanation I can find,
We'll keep feeding our greed, while we watch the planet bleed—
Just keep dancing, it's the end of the world! 🇺🇸**

6. BALONEY ('Oscar Meyer'; Leydorf)

This baloney has a first name, it's T R U M P.
This baloney has a second name, the racist G O P.
They wreck the country every day: We have to drive them all away...
The Trump G O P, N R A, the Nazis and the K K K.

7. BYE, CORONA! (The Knack; Leydorf)

Ooh, my little spitty one, my spitty one—
Every sneeze is spreadin' your slime, Corona!
When you feel your fever run, your fever run,
Cover up your cough every time, Corona!
Everybody stop: 20 secs, wash your dirty hands.
Make the water hot, make it fun, do a purty dance:
Bye, bye, bye, aye-aye, Soap! B-b-b-bye, Corona.

Stand a little further, off? A-when you cough?
Maybe it is Quarantine time, Corona?
Ain't got no community immunity.
There is no vaccine, that's a lie, Corona!
Everybody stop: 20 secs, wash your dirty hands.
Make the water hot, make it fun, do a purty dance:
Bye, bye, bye, aye-aye, Soap! B-b-b-bye, Corona.

When health care is a human right, not outta sight,
we can fight a viral blight like Corona!
Work together, to be sure we'll find a cure.
Trust in science and we can spike Corona!
Everybody stop: 20 secs, wash your dirty hands.
Make the water hot, make it fun, do a purty dance:
Bye, bye, bye, aye-aye, Soap!
B-b-b-b-b-b-b-bye, bye, bye, aye-aye, Soap!
B-b-b-bye, Corona. B-b-b-bye, Corona! X2

8. COVID-19! (Dexy's Midnight Runners; Leydorf)

Covid-19! **KAZOO** Covid-19! **KAZOO**
Poor old Donny T! No one listens to his daily jive
as the cases spread and markets dive.
Mike Pants by his side. Keeps right on ass-licking! **KAZOO**
Con man! (God dammit!) No plan! (Can't ban it!)
Sheltering in hell forever **KAZOO**
Covid-19! My job, your job, their jobs, they're all gone!
He can always blame Obama.
Covid-19! Keep 6 feet...in between.
Now come on let's...scrub down everything!
Can't get a test, cuz DC is a mess. Wait till Trump gets...Covid-19!
Covid-19! **KAZOO**
Doctors cry for help!... Got no ventilaters,
beds, or masks, and they saw the coming chaos!
Not him! (no, never), Not him! (no, never)
Not our perfect stable genius **KAZOO**
Remember! My job, your job, their jobs—they're all gone!
He will blame Barack forever...
Covid-19! Keep 6 feet...in between.
Now come on let's...scrub down everything!
This isn't fake—Will the country awake?
Toilet paper...causes rioting!
Covid-19! Just stay away! Covid-19! Stay home—cancel your plans.
Stop shaking hands. Yo! Quarantine!
Said, Covid-19! That's where the buck will stop.
Obscene! And dumb as fuck—
Well, if we're living next November, things round here will change.
I say: My job your job, our job—vote him out! **KAZOO**
Covid-19! Keep six feet...in between.
Now come on let's...scrub down everything!
Can't get a test—cuz DC is a mess
Wait till Trump gets... ah-Covid-19!

9. WE WILL SURVIVE (G. Gaynor; Leydorf)

At first we were afraid, we were petrified,
by the sight of all those nasty Nazis by your side.
But character is destiny and you're a psychopathic ape:
You can't escape—it's coming soon, the pee-pee tape!
With every week...you spring a leak— Your cagey AG,
Billy Barr, thinks you're the Czar, the fuckin' freak.
Well if Mueller couldn't do it, next November seals your fate:
Yer gonna wish yer name was Nixon, you will pray for Watergate!

CHORUS Go on now, go, you Russian ho!
Just turn around now, cuz you're not welcome any-mo.
Aren't you the fool who said Corona'd pass us by?
Well the world can crumble—
Do you think we'll just lay down and die?
Oh no, gurl, bye! We will survive—
Oh, as long as we are stuck with you,
the fight will stay alive.
And thru every turn and twist,
we'll have the courage to resist—
We'll survive! We will survive! Hey, hey! DANCE BREAK

Well the billionaires and NRA, they must paid.
The sickness spreading while you made
your desperate inside trades.
Thank God that Fauci's not a fool
and Cuomo's risen to the job—
You sorry slob—go snow your Mara-Lago mob!
Since you're a jerk...who's gone berserk—
It's up to us to get it done, we've just begun to do the work.
We'll survive coronavirus, then we'll turn to climate change:
We're gonna leave you crooks behind us,
the whole world we'll rearrange! **CHORUS**

10. I JUST CALLED TO SAY (Stevie Wonder; Leydorf)

No subway ride, and feeling fried.
No crowded car, that bag that's sticking in your side.
No busy stores, revolving doors,
No sliding past each other, so preoccupied.
No trips upstate to see the sights,
Romantic dinner dates, or dancing thru the night.
But we're OK, so don't feel blue—
I hope that these three words can help to pull you through
CHORUS I just called to say I love you.
I just called to say how much I care, I do...
I just called to say I love you...
I'll call every day till we are not apart.
Soon this will be...a memory...
A trying time, a heavy page in history.
We shut our doors, and fought our wars.
Alone, together, one big human family.
And when we win, you know we'll sing.
We'll offer thanks, it will be Christmas Day in spring
But until then, we can pull through.
And till it's done these three small words will have to do.
CHORUS X2

11. BATTLE HIM (Leydorf)

Mine eyes have seen the story of the coming of the Trump.
With a slew of lies he mobilized the moron and the chump.
The country drank the Kool-aid down and landed on its rump,
But we are marching on. **Glory, glory hallelujah...**

He's the cherry on the sundae of the racist and the rich,
So afraid to pay their taxes, they will scratch a fascist itch.
They believe he's Mussolini, but he's only Putin's bitch!
Now we are marching on. **Glory, glory hallelujah...**

For his thievery in Kyiv the House impeached the lying lout.
So he hatched a plan to bomb Iran and wag the dog about.
The Senate passed—so it's our task to throw the scoundrel out!
Till then, we're marching on! **Glory, glory hallelujah...**

Now disease has struck and we are stuck, with Nero on the throne.
He violins as Covid wins—guess we are on our own.
Our new routine, we're quarantined, resisting on our phones!
Reach out and march right on! **Glory, glory hallelujah...**

12. MAR-A-LAGO! ('Oklahoma'; Leydorf/Herzog)

Mar—a-Lago! Where the lies are thicker than the steak!
And the weekend set will not say nyet,
if there's any law you want to break!

Mar—a-Lago! It's the wet dream of the GOP:
All the racist rats and kleptocrats dip a toe into the rising sea!
But Putin is no nouveau riche, & he's got dopey Don on a leash!
So when we say: WHOA! What did he do today? NO! We're only sayin'
Stay there for good: Mar-a-Lago! Mar-a-Lago! Oy vey!

Mar—a-Lago! It's a temple to vulgarity:
Where the crooked class, can raise a glass to expanding inequality!
Mar—a-Lago! Where the mobsters pay each other off!

And they pass a stash of dirty cash,
while they play another round of golf!
We know he belongs to old Vlad, cuz the cad is a tad like his dad!
So when we say: WHOA! What did he do today? NO!
We're only sayin' stay there for good: Mar-a-Lago! Mar-a-Lago! Oy vey!

Mara-Lago! Mara-Lago! Marla Maples! Marla Maples!
Stormy Daniels! Omarosa!
We know that you signed an NDA, but we want you to talk anyway!
So when we say: WHOA! What did he do today? NO!
We're only sayin' Stay there for good:
Mar-a-Lago! Mar-a-Lago! M A R A L A G O Marala—GO!

13. OVER THE RAINBOW (Judy; Leydorf)

Somewhere over the rainbow, love trumps hate.
Black lives matter to all, and Muslims can immigrate.
Somewhere over the rainbow, we rejoice—
Women get equal pay and make their own goddamn choice!
Somewhere there is no Cheeto Czar

and all the fascist fools are far behind me!
There's health care when you have an ache,
and Christians have to bake gay cake with Hot! Pink! Icing!
Oh, somewhere over the rainbow, kids run free—
They're not locked up in prison, ripped from their families...
But facts are not alternative: Let's bring the rainbow here & fight to live

14. FAITH (George Michael; Tjhung/Leydorf)

Well I think it would be nice, if we could break your lobby,
Cuz no, not every lobby knows how to lobby like you-u-u
No! And you never think twice, before you take our dreams away.
Well, we say FUCK the N.R.A. & all the cash you blew!
Oh yeah, you bought up Congress for 20 million,
and then the White House—30 million more!

Well you can spend your heart out—a billion zillion!
You can eat your Russian money, we are showing you the door!

CHORUS **Cuz we gotta have faith. We gotta have fai-aiith.**
Oh yeah—we gotta have faith-a faith-a faith.
We gotta have faith-a faith-a faith-ahhh!

Baby! We won't go back to yesterday, so please, please, please
Sashay away—You are giving us the blue-ue-ues.
Maybe—we're gonna break the money chain,
Then we won't have to feel the pain of another day
loaded down with a lotta bad news.

Just watch this river become an ocean.
Listen, do you hear that mighty roar?

Yeah baby, We'll keep resisting your evil notions—
We have had it up to here, & we are saying not one more! **CHORUS**

15. FASCIST USA ('Yellow Submarine'; Miller/Leydorf)

In the land where we were born, we fought wars for equality
We defended human rights in the land of liberty
But the country took a turn, voted in...a crime machine
And we fell beneath the thumb of a fascist tangerine...

CHORUS **We won't live in a fascist USA! A fascist USA!....**

Well the Nazis scream and shout, as they work to feed his greed
But the band begins to play... **KAZOC CHORUS**

We won't live a life of fear, though he's gro-owing more obscene.
Skies are blue, while we resist... Screw the fascist tangerine. **CHORUS x2**

16. THE TRUMP ADMIN (Addams Family; Steinberg/Leydorf)

CHORUS **Dadadadum Dump Trump! Dadadadum Dump Trump!**
Dadadadum, dadadadum, dadadadum, Dump Trump!

The Trump Administration, just might destroy the nation,
They prize the corporation, despise the common man.
The trouble is they're traitors, and double-plus dictators,
They huddle up with haters, and kuddle with the klan. **CHORUS**

Below the Mason-Dixon, they love their naughty Nixon,
They find the fool transfixin' — they swallow every lie.
The coal they're keen on mining, the kids they are confining,
If wages keep declining, don't blame the MAGA guy. **CHORUS**

You know we'd better wake up, ensure there is a shake-up,
The time is short to make up, we have to vote them out! Dump Trump!

17. PUPPET KING ('Dancing Queen'; Leydorf/Stein)

You can dance, you can ji-ive, tweeting out lie after lie...
Oo-oo-oo, see that fool, so obscene. Poor little puppet king
You keep sayin' you are so tough... Fightin' words all the fascists...love.
Tariffs where there were treaties, stirrin' up the hate,
will never make us great.

Anybody can see the truth... You're a traitor, we got the...proof
Went to hell in Helsinki—such a sorry show.
You made it really clear... You obey Vladimir...

CHORUS **You are the puppet king:**
Dan-gle-ing from your Russian strings!
Puppet king: The KGB owns the GOP! Oh, yeah!
You can dance, you can ji-ive, tweeting out lie after lie...
Oo-oo-oo, see that fool, so obscene. Poor little puppet king!
Was it blackmail or bribery? Dirty money or maybe...pee?
Long as you go to prison—we don't really care.
Justice is getting near... Go cry to Vladimir... **CHORUS**
